Tinderbox James Andrew Miller, 2021-11-23 *Tinderbox* tells the exclusive explosive uninhibited true story of HBO and how it burst onto the American scene and screen to detonate a revolution and transform our relationship with television forever. *The Sopranos* *Game of Thrones* *Sex and the City* *The Wire* *Succession* HBO has long been the home of epic shows as well as the source for brilliant new movies, news, making documentaries and controversial sports journalism. By thinking big, trashing tired formulas and killing off cliches long past their primes, HBO shook off the shackles of convention and led the way to a bolder world of content, opening the door to all that was new, original and worthy of our attention. In *Tinderbox*, award-winning journalist James Andrew Miller uncovers a bottomless trove of secrets and surprises, revealing new conflicts, insights and analysis. As he did to great acclaim with *SNL* in *Live from New York* with *ESPN* in *Those Guys Have All the Fun* and with talent agency CAA in *Powerhouse*, Miller continues his record of extraordinary access to the most important voices, this time speaking with talents ranging from Abrams JJ to Zendaya as well as every single living president of HBO and hundreds of other major players. Over the course of more than 750 interviews with key sources, Miller reveals how fraught HBO's journey has been, capturing the drama and the comedy off camera and inside boardrooms as HBO created and mobilized a daring new content universe and, in doing so, reshaped storytelling and upended our entertainment lives forever.

Boyer, 2022-08-30 This is a book about spirituality for the spiritual but not religious. Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States. This book provides 189 monthly entries based on the national and international celebrations that occur every month. Each entry begins with the name of the occasion and the date when it is marked during the month. A text from the Bible, a US public law, a presidential proclamation, a United Nations declaration etc. that illustrates the day is presented. The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated. Journal, meditation questions follow the

fan but doesn't shy away from the abundant messiness in his subject's personal life. The New York Times Book Review From New York Times culture reporter Dave Itzkoff the definitive biography of Robin Williams a compelling portrait of one of America's most beloved and misunderstood entertainers. From his rapid fire stand up comedy riffs to his breakout role in *Mork* *Good Morning Vietnam* *The Fisher King* *Aladdin* and *Mrs Doubtfire* where he showcased his limitless gift for improvisation to bring to life a wide range of characters. And in *Good Will Hunting* he gave an intense and controlled performance that revealed the true range of his talent. Itzkoff also shows how Williams struggled mightily with addiction and depression topics he discussed openly while performing and during interviews and with a debilitating condition at the end of his life that affected him in ways his fans never knew. Drawing on more than a hundred original interviews with family friends and colleagues as well as extensive archival research Robin is a fresh and original look at a man whose work touched so many lives.
