*The Suffragents* Brooke Kroeger, 2017-05-11 The story of how and why a group of prominent and influential men in New York City and beyond came together to help women gain the right to vote The Suffragents is the untold story of how some of New York's most powerful men formed the Men's League for Woman Suffrage which grew between 1909 and 1917 from 150 founding members into a force of thousands across thirty five states Brooke Kroeger explores the formation of the League and the men who instigated it to involve themselves with the suffrage campaign what they did at the behest of the movement's female leadership and why She details the National American Woman Suffrage Association's strategic decision to accept their organized help and then to deploy these influential new allies as suffrage foot soldiers a role they accepted with uncommon grace Led by such luminaries as Oswald Garrison Villard John Dewey Max Eastman Rabbi Stephen S Wise and George Foster Peabody members of the League worked the streets the stage the press and the legislative and executive branches of government In the process they helped convince waffling politicians a dismissive public and a largely hostile press to support the women's demand Together they swayed the course of history The Suffragents is proof that the clatter of dishes that America's power brokers were hearing as they sat in their smoking parlors back in the early twentieth century meant more than clean china and emptied ashtrays Someone was cooking up plans The book reveals the careful never before told story of how women carefully calculated and planned their own liberation directing the prominent power brokers in America into action With smooth efficiency and the touch of a novelist Brooke Kroeger shows how the suffragist movement engineered by women from top to bottom cleverly stitched in the involvement of men from all walks of professional and political life directed by women who used neither gun nor blade to direct the men but the weapons of intelligence cleverness and when necessary subterfuge The collaboration in this balance of power between prominent men who invested in the movement and the women who directed them has everything to teach us today James McBride author of *The Color of Water* *A Black Man's Tribute to His White Mother* and *The Good Lord Bird* Not all the suffragists who risked ridicule to march down

Fifth Avenue in the big parades touting votes for women wore dresses Brooke Kroeger meticulously documents the largely unsung role of men who publicly supported their wives mothers sisters or lovers in the final dramatic decade of women s seventy year battle for the ballot Linda J Lumsden author of *Inez The Life and Times of Inez Milholland and Rampant Women Suffragists* and the Right of Assembly Women need men to get the rights they deserve after all men had to vote to let women vote Brooke Kroeger gives us the first history of the Men s League for Woman Suffrage the Gentleman s Auxiliary of the women s movement Eschewing the spotlight they supported gender equality as we all should because it s quite simply the right thing to do With this gift Kroeger gives us back a bit of our history Michael S Kimmel coeditor of *Against the Tide Pro Feminist Men in the United States 1776 1990 A Documentary History* Woman Suffrage United States. Congress. House. Committee on Election of President, Vice-President, and Representatives in Congress, 1914 Considers 63 H R 9393 *The Woman Suffrage Year Book, 1917* Martha G.
