Active and Transformative Learning in STEAM Disciplines Miltiadis Demetrios Lytras, 2023-11-20 Active and Transformative Learning in STEAM Disciplines is a unique reference volume for the new student centric and objectives oriented learning environment where individual and team learning paths enhance problem solving capabilities

The Design of Learning Experience Brad Hokanson, Gregory Clinton, Monica W. Tracey, 2015-07-03 This book delves into two divergent yet parallel themes first is an examination of how educators can design the experiences of learning with a focus on the learner and the end results of education and second how educators learn to design educational products processes and experiences The book seeks to understand how to design how learning occurs both in the instructional design studio and as learning occurs throughout the world This will change the area s semantics at a deeper level it will change its orientation from instructors and information to learners and it will change how educators take advantage of new and old technologies This book is the result of a research symposium sponsored by the Association for Educational Communications and Technology AECT
