Vittorini s Conversations in Sicily stands as a modern classic not only for its powerful thematic resonance as one of the great novels of Italian anti fascism but also as a trailblazer for its style which blends literary modernism with the pre modern fable in a prose of lyric beauty Comparing Vittorini s work to Picasso s Italo Calvino described Conversations as the book Guernica The novel begins at a time in the narrator s life when nothing seems to matter whether he is reading newspaper posters blaring of wartime massacres lying in bed with his wife or girlfriend or flipping through the pages of a dictionary it is all the same to him until he embarks on a journey back to Sicily the home he has not seen in some fifteen years In traveling through the Sicilian countryside and in variously hilarious and tragic conversations with its people his indomitable mother in particular he reconnects with his roots and rediscovers some basic human values Goodreads    **The Road to Cisterna**

David Lyle Williams,2025-09-26 The Road to Cisterna is the story of Darby s Rangers an elite American army unit in World War II selected for toughness and specially trained in beach landings and lightning raids deep behind enemy lines

Commanded by Colonel William Orlando Darby the 1st Ranger Battalion spearheaded landings in North Africa and helped defeat German general Erwin Rommel the Desert Fox in Tunisia Its success inspired the creation of two more battalions led by Darby in the invasions of Sicily and the Italian mainland The Rangers record of victories ended in central Italy at the

Battle of Cisterna where a force of almost sixty thousand Germans wiped them out The German forces captured all but a few of the survivors but many Rangers made daring escapes from prisoner of war camps Of the Rangers who fought that battle forty six tell their stories in this book David Lyle Williams spent over two decades collecting the memories of Darby Rangers enabling him to compile an unprecedentedly thorough history of the unit Unlike previous accounts more than 160 Rangers speak here in their own words and voices giving an intimate picture of their combat experiences enabling the reader to know them as individuals [Memoirs of the Life, Exile, and Conversations of the Emperor Napoleon](#)
