Conversations with Yogananda Swami Kriyananda, 2004-09-28 *Conversations with Yogananda* This is an unparalleled firsthand account of Paramhansa Yogananda and his teachings written by one of his closest students Yogananda is one of the world's most widely known and universally respected spiritual masters His Autobiography of a Yogi has helped stimulate a spiritual awakening in the West and a spiritual renaissance in his native land of India More than half a century ago in a hilltop ashram in Los Angeles California an American disciple sat at the feet of his Master faithfully recording his words as his teacher had asked him to do Paramhansa Yogananda knew this disciple would carry his message to people everywhere Kriyananda was often present when Yogananda spoke privately with other close disciples when he received visitors and answered their questions when he was dictating and discussing his important writings Yogananda put Kriyananda in charge of the other monks and gave him advice for their spiritual development In all these situations Kriyananda recorded the words and guidance of Yogananda preserving for the ages wisdom that would otherwise have been lost and giving us an intimate glimpse of life with Yogananda never before shared by any other student These Conversations include not only Yogananda's words as he first spoke them but also the added insight of an intimate disciple who has spent more than 50 years reflecting on and practicing the teachings of Yogananda Through these conversations Yogananda comes alive Time and space dissolve We sit at the feet of the Master listen to his words receive his wisdom delight in his humor and are transformed by his love

to stand up for universal truths he shows us that we have a choice in how we are going to live and in using our inherent soul ability we possess to adapt and change even drastically when called upon to do so This is the third book in the Wisdom Stories series Each story includes a Gem of Wisdom in Yogananda's own words By giving us a clear path to overcoming the limitations of ego adjusting our attitudes and expanding our hearts he offers us a priceless and lasting gift that we can then share with receptive hearts of any age

Stories of Yogananda's Youth Swami Kriyananda, 2017-11-15 Stories from the youth of Mukunda Lal Ghosh later known to the world under his monastic name of Paramhansa Yogananda author of the bestselling spiritual classic Autobiography of a Yogi Even in his youth the greatness of this master of yoga was revealed Complements beautifully Yogananda's own autobiography The author Swami Kriyananda a direct and close disciple of Yogananda writes In this book I have tried to depict Yogananda's spirit a spirit ardent with love for God tender with sympathy for all men forgiving kindly humorous yet resolute and forceful when strength was needed From the preface Paramhansa Yogananda was born in India in the last decade of the nineteenth century His father a high official in the Bengal Nagpur railway was in a position to offer his children worldly security and success Mukunda's heart however was set on another kind of security and another higher kind of success final victory over ignorance through loving union with God Spurning earthly comforts he sought rigorous training under one of India's greatest living gurus Swami Sri Yukteswar of Serampore Bengal People often make the mistake of equating the spiritual life with dullness and prudery These stories should help to dispel that illusion Mukunda's keen sense of humor and love of pranks often startled his more sedate neighbors out of their mental ruts The personality that emerges from these episodes is joyous compassionate childlike yet fiercely determined loyal deeply in love with God and capable of standing alone in his convictions against the very world These stories have been written from true episodes in the master's life from approximately the ages of six to seventeen Some of the accounts were related to me by his relatives others by childhood friends But the greater number were told me by the master himself I have taken no liberties with those accounts beyond adding superficial details for poetic emphasis an occasionally combining separate episodes too brief to stand alone into a single story

The Essence of Self-Realization Paramhansa Yogananda, 2009-08-16 Yogananda was one of the most significant spiritual teachers of the 20th century Since his classic Autobiography of a Yogi was first published in 1946 its popularity has increased steadily throughout the world The Essence of Self Realization is filled with lessons and stories that Yogananda shared only with his closest disciples this volume offers one of the most insightful and engaging glimpses into the life and lessons of a great sage Much of the material presented here is not available anywhere else

Songs of the Soul Paramhansa Yogananda, 2024-12-01 SONGS OF THE SOUL Original Writings of Paramhansa Yogananda Paramhansa Yogananda is best known for his Autobiography of a Yogi a book that he said the Lord Himself commissioned him to write in response to a silent call among many souls for a practical religion that would enable them to know the Divinity that dwells in their own hearts and souls Those who met Yogananda

were overwhelmed by the magnetic power of his love Saints and sages recognized him as one of their own Sri Ananda Moyi Ma Ramana Maharshi Sri Rama Yogi and Mahatma Gandhi these and many other great souls perceived in him an avatar God incarnated with the power to redeem not only a few close disciples but a vast flock who would be transformed by his divine ray As a bright light shining in the midst of darkness so was Yogananda's presence in this world Such a great soul comes on earth only rarely when there is a real need among men The Shankaracharya of Kanchipuram spiritual leader of millions of Hindus Though divinely tasked with bringing a practical teaching Yogananda preferred to express his wisdom not in dry intellectual terms but as pure expansive feeling To drink his poetry is to be drawn into the web of his boundless childlike love Nor was his vision limited to this earthly plane in one moment his Songs of the Soul invite us to join him as he plays among the stars with his Cosmic Beloved Then they call us to discover that portion of our own hearts that is eternally one with the Nearest and Dearest Like his famous Whispers From Eternity this volume is a bubbling singing wellspring of spiritual healing that we can bring with us everywhere Also included is the addition of five poems not included in the original 1923 edition

How to Meditate Jyotish Novak, 2009-01-16 As Yogananda explains the operation of karma death and reincarnation he also shares the deeper purpose of existence for every soul Understanding these truths can bring clarity confidence and inspiration into your life [A Fight for Religious Freedom](#) Jon R. Parsons, 2012-08-01 The Inside Story of a Noble Battle A Fight for Religious Freedom In 1990 Self Realization Fellowship SRF sued Ananda another spiritual organization following the same teachings to prevent them from using Self Realization as part of their name SRF claiming they owned that ancient spiritual term Soon SRF insisted that they also owned all rights to the name image writings and voice of Paramhansa Yogananda revered guru to both groups and author of the classic Autobiography of a Yogi Ananda faced a stark choice to fold up their tents and slink off into the night or risk their very existence by fighting for the cause of dharma righteousness They boldly declared Yogananda is for the World By the end of a grueling 12 year struggle they had won 95% of the case set important legal precedents and preserved fundamental religious rights for everyone In *A Fight for Religious Freedom* Jon Parsons the lawyer representing Ananda during the lawsuit tells the tale of Ananda's struggle one that went all the way to the steps of the United States Supreme Court **Awake and Ready** Hriman McGilloway, 2023-10-01 Once and Future Christ When East Meets West There is a great need in these times for a deeper and more universal understanding of the teachings of Jesus Christ No mere intellectual analysis possesses the spiritual power and grace to transform the divisive dogma that separates sincere Christians from other faiths The yogis of India both ancient and modern have gifted to the world a revelation of universality for the healing of the nations Paramhansa Yogananda came to America in 1920 to focus the light of India's timeless and timely wisdom upon the teachings of Jesus Christ In *Once and Future Christ* Nayaswami Hriman McGilloway expands upon that message with the inclusion of modern scientific discoveries and an exploration of the similarities and relationships between Christianity and Yoga This book describes the inevitable evolution of Christian dogma

towards greater inclusivity The pathway of this future evolution leads to an understanding that the individual soul's relationship to God is the goal of the spiritual life The beauty harmony and sacredness of individual spiritual traditions need not be sacrificed but may someday be understood in a deeper and more personally meaningful light *Go On Alone* Swami Kriyananda, 2025-11-01 *Go On Alone* This book shows that small communities of individuals seeking a new way of living can provide a model for the present age *Go On Alone* is dedicated to all those who want inner freedom It proves that such freedom is attainable Little groups of individuals can accomplish what large social groups have never been able to achieve The Ananda communities in their history of over thirty years have demonstrated that attitudes of kindness sharing and cooperation actually work Swami Kriyananda author of some 150 books and composer of over 400 works of music has devoted his life primarily to helping develop the cooperative community movement Ananda communities thrive around the world After numerous trials by fire figurative as well as literal Kriyananda and those who chose to share this dramatic adventure with him have succeeded to the point where theirs is a story that needs to be heard Ananda is a meaningful alternative to greed and cutthroat competitive practices You will find in these pages a deeply meaningful story If what you seek in life is greater inspiration and understanding you will find fulfillment here The story is different yes In some ways it is highly unusual Its underlying message however is universal **Conversations with Ananda** Nayaswami
