*The Best of Star Wars Insider Volume 5: Lords of the Sith* Jonathan Wilkins, 2017-04-18 At last we reveal ourselves to the Jedi They are the warriors whose thirst for power is matched only by their ruthlessness but who are the Sith Lords From the opening moments of A New Hope in which the imposing figure of Darth Vader strode onto the Tantive IV and into movie history to Kylo Ren's memorable debut in Star Wars The Force Awakens the Sith have proved that the bad guys have all the fun This collection includes interviews with the actors who brought the Sith to life such as Ian McDiarmid Emperor Palpatine Darth Sidious Hayden Christensen Anakin Skywalker and Christopher Lee Count Dooku along with articles that explore these evil practitioners of the dark side Much of the best writing about the Star Wars franchise has appeared in the pages of Star Wars Insider Magazine Manhattan Book Review

## **The Greatest Cult Television Shows of All Time** Christopher J.

Olson, Carrie Lynn D. Reinhard, 2020-05-29 Reaching back to the beginnings of television The Greatest Cult Television Shows offers readers a fun and accessible look at the 100 most significant cult television series of all time compiled in a single resource that includes valuable information on the shows and their creators While they generally lack mainstream appeal cult television shows develop devout followings over time and exert some sort of impact on a given community society culture or even media industry Cult television shows have been around since at least the 1960s with Star Trek perhaps the most famous of that era However the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s and now with the plethora of streaming options available more shows can be added to this categorization Reaching back to the beginnings of television the book includes such groundbreaking series as The Twilight Zone and The Prisoner alongside more contemporary examples like Crazy Ex Girlfriend and Hannibal The authors provide production history for each series and discuss their relevance to global pop culture To provide a more global approach to the topic the authors also consider several non American cult TV series including British Canadian and Japanese shows Thus Monty Python's Flying Circus appears alongside Sailor Moon and Degrassi Junior High Additionally to move beyond the conception of cult as a primarily white heteronormative fanboy obsession the book contains shows that speak to a variety of cult audiences and experiences such as Queer as Folk and Charmed With detailed arguments for why these shows deserve to be considered the greatest of all time Olson and Reinhard provide ideas for discussion and debate on cult television Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them

## **Historical Dictionary of Science Fiction in Literature** M. Keith Booker, 2014-10-01

The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly

valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject
