

INSTAGRAM FEED ENGAGEMENT

Engagement Rate

To work out the Engagement Rate on a post in your Instagram feed, use this equation:

$$\frac{\text{number of likes} + \text{comments} + \text{saves you receive on a post}}{\text{total no. followers at the time of posting (x 1000)}}$$

This metric is the most accurate way of evaluating how engaged your community is with your content on Instagram. Whereas you're able to see how many overall engagements you get on a post by looking at Instagram Native Insights, it doesn't show you the Engagement Rate.

To get an overview of your average Engagement Rate across all your posts, or to filter your posts by Engagement Rate, go to the **Insights Dashboard** and select "Engagement" under the

Reach

Reach refers to the number of unique users who have seen your post, and you can find this on Native Insights under Post Analytics. It's important to know this one if you want to work out Engagement on Reach, which brings us on to the next point...

Engagement on Reach

Engagement on Reach uses the same formula as Engagement Rate, but instead of being divided by the number of followers at the time of posting, the total number of engagements is divided by the number of people who saw your post.

To see this metric on Instagram, go to "Overview", "My Media", select the post you want to review, and click "Post Analytics" or the small bar chart symbol.

ENGAGEMENT ON REACH

$$\frac{\text{number of likes} + \text{comments} + \text{saves you receive on a post}}{\text{total no. followers who saw your post}}$$

$$\frac{\text{number of likes} + \text{comments} + \text{saves you receive on a post}}{\text{total no. followers who saw your post}}$$

Instagram Secrets Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn't an eCommerce business and so Instagram isn't the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You're a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother's ward with beautiful birthing and stay suites with a spa like feel 3 You're a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we'll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram's back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won't care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn't logged in for a while they won't have to scroll through outdated and no longer relevant posts They'll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram

knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book **Go Viral on Instagram in 48 Hours - Viral Digital Marketing eBook on Google Play Books** Srinidhi Ranganathan,2025-10-15 Visit <https://linktr.ee/legendsrinidhi> to access more resources BONUS More Free Access to 100 000 Digital Marketing Courses https://www.youtube.com/playlist?list=PL7iVMyVUvArbOCLFtyv_sv74cM9FaNDYw they lacked the insider knowledge about how Instagram s algorithm actually functioned what psychological triggers it was designed to exploit and which content optimization strategies actually worked versus which ones were marketing mythology propagated by gurus who benefited from widespread ignorance The author s decision to write this definitive blueprint was triggered by a specific realization he had personally generated over fifty million cumulative views for his clients and built Instagram empires entirely from nothing yet this knowledge remained locked away in his mind accessible only to the privileged few who could afford his high level consulting fees Thousands of deserving creators would never experience Instagram success simply because they couldn t access the strategic intelligence that only a digital marketing legend with thirteen years of experience possessed This inequality motivated Srinidhi to democratize Instagram viral knowledge to take the proprietary strategies that commanded premium consulting rates and make them accessible to every creator entrepreneur and small business owner willing to implement them The eBook represents his commitment to leveling the playing field to giving talented creators the same weapons that platform insiders and well funded agencies possessed What deeply inspired this project was Srinidhi s superpower of hyperphantasia combined with his unique ability to mentally simulate Instagram scenarios with extraordinary precision His mind operates like a supercomputer running millions of algorithmic simulations simultaneously allowing him to visualize exactly how different content formats psychological triggers and optimization strategies interact with Instagram s

recommendation engine Through his mindset teleportation visualization techniques Srinidhi can mentally step into the consciousness of an Instagram user scrolling mindlessly through their feed feeling precisely which psychological hooks will arrest their attention which content will compel them to like which emotional triggers will force them to comment and which viral mechanisms will drive them to share This neurological gift enabled him to decode what most marketers can only guess at the exact psychological architecture underlying Instagram virality The inspiration also flows from Srinidhi s documented success in building Instagram empires from absolutely nothing for clients across every imaginable industry from telemedicine startups experiencing 275% increases in patient acquisition through Instagram engagement to e commerce retailers generating 450% revenue growth through algorithmic content optimization to fintech platforms witnessing 500% user registration surges through strategic Instagram positioning These weren t outliers or lucky anomalies they represented the systematic application of verified reproducible principles that worked consistently across different industries demographics and content niches By writing this eBook Srinidhi wanted to prove definitively that Instagram success wasn t mystical wasn t dependent on having a massive pre existing audience and wasn t reserved only for lucky influencers who stumbled upon virality by accident Srinidhi was specifically motivated to write this book because he recognized a critical gap in the marketplace while thousands of Instagram guides existed virtually none were written by someone who had simultaneously cracked both the psychological science underlying viral engagement and the technical reality of how Instagram s algorithm actually processes and distributes content Most Instagram experts taught either pure psychology engagement tactics with no algorithmic understanding or pure mechanics algorithm knowledge without psychological sophistication Srinidhi s unique position possessing both superhuman cognitive abilities equivalent to a 365 IQ level and thirteen years of hands on experience engineering viral campaigns across platforms meant he could write something that had never existed before a definitive guide that merged psychological triggers with algorithmic mastery into an integrated 48 hour system The author s inspiration was further catalyzed by his observation that most content creators weren t failing because of lack of content quality they were failing because they didn t understand the specific psychological variables that Instagram s algorithm prioritizes when deciding which content to amplify The algorithm doesn t reward objectively good content it rewards content that generates specific behaviors it rewards content that makes people stop scrolling psychological engagement hooks it rewards content that generates rapid interaction psychological response triggers and it rewards content that creates psychological resolution or transformation in viewers emotional closure mechanics Most creators were creating content that was valuable informative or entertaining but they weren t engineering the specific psychological mechanisms that the algorithm measures and amplifies Srinidhi s eBook fundamentally transforms this paradigm by teaching readers to think like the algorithm to understand its psychological measurement criteria and to deliberately engineer content that exploits these algorithmic preferences Furthermore Srinidhi was inspired by the

realization that Instagram virality in 48 hours wasn't some impossible fantasy or luck dependent phenomenon it was entirely engineered completely systematic and absolutely teachable He had used this exact 48 hour system to launch dozens of viral sensations to transform unknown accounts into Instagram phenomena and to prove repeatedly that with the right knowledge and implementation any creator could go viral regardless of their starting position What ignited his determination to write this eBook was the knowledge that other creators with equal talent simply didn't have access to these specific techniques these precise tactical sequences and this insider algorithmic intelligence The injustice of this knowledge gap where success on Instagram was determined not by talent or effort but by access to insider secrets drove him to create this no holds barred blueprint that would give every reader the exact formulas frameworks and tactical sequences that only the top 1% of Instagram creators knew and used Srinidhi's motivation also emerges from his vision of empowerment through accessible knowledge particularly for three specific audiences identified in the eBook entrepreneurs needing rapid personal brand development who don't have months to build Instagram credibility organically small business owners struggling to get noticed on a platform where major corporations spend millions on paid promotions and content creators ready to take their influence from zero to significant in weeks rather than years He understands viscerally through his hyperphantasia superpowers that allow him to mentally inhabit their perspectives the frustration of entrepreneurs who need immediate visibility to launch products the desperation of small business owners watching their competitors dominate while they remain invisible and the burning ambition of content creators who possess world changing messages but lack the algorithmic knowledge to get them heard This empathetic understanding of their struggles provides the emotional fuel behind his determination to share these world changing strategies openly The eBook exists because Srinidhi recognized that outdated strategies were actively sabotaging creators success on Instagram Most common Instagram advice the post consistently use trending hashtags engage authentically mantras was either obvious wisdom that everyone already knew or actively counterproductive tactics that algorithms had learned to suppress The gap between common Instagram advice and what actually works to achieve viral results was enormous and this gap represented precisely where Srinidhi's unique expertise could create transformative value His thirteen years of continuous evolution as algorithms changed combined with his access to over eighty five thousand AI tools and platforms that he orchestrates like a symphony conductor meant he possessed insider knowledge about Instagram's latest algorithm updates that wouldn't be publicly available for months or years Ultimately what inspired Srinidhi Ranganathan to write Go Viral on Instagram in 48 Hours was the same driving force that has motivated all his revolutionary work in digital marketing the profound belief that human beings shouldn't be limited by algorithmic gatekeeping that talented creators deserve visibility regardless of their wealth or connections that knowledge should be democratized rather than hoarded by consultants who profit from widespread ignorance and that with the right blueprint the exact strategies the proven frameworks the insider secrets anyone can build an Instagram presence that doesn't

t just grow but turns incredibly into viral phenomena As someone who has personally generated fifty million views for clients built Instagram empires from nothing and transformed struggling entrepreneurs into Instagram sensations Srinidhi speaks with the authority of someone who has systematically proven that Instagram virality is not luck or talent alone it is engineered predictable and absolutely reproducible This eBook represents his gift to every creator who has ever watched their quality content sit ignored at ten likes his promise that those days are over his proof that another way exists and his detailed blueprint for achieving Instagram domination in just forty eight hours 500 Viral Instagram And Reels Content Ideas GURMEET SINGH DANG, Unlock the power of creativity with 500 Viral Instagram And Reels Content Ideas a comprehensive guide designed for influencers creators educators entrepreneurs and businesses who want to dominate social media with fresh engaging and impactful content This eBook provides 500 viral content ideas across 10 high demand categories including lifestyle motivation food travel entertainment parenting and more Each idea is explained in detail with why to use it where to use it and how to create it along with tips for beginners and professionals ensuring value for readers of all levels Unlike generic content lists this book delivers authentic practical and easy to apply strategies that work across platforms like Instagram Reels TikTok YouTube Shorts and beyond This eBook is a perfect resource for Social media influencers Content creators Media students Marketing professionals Educators and trainers Entrepreneurs looking to grow online This eBook is written and created by GURMEET SINGH DANG using advanced AI technology and published under GURMEETWEB TECHNICAL LABS a recognized Film Music Production Brand Record Label and Commercial Publisher Whether you aim to go viral build your brand or inspire your audience this eBook provides everything you need to stay ahead of the trends and create content that people love to share Published by GURMEETWEB TECHNICAL LABS Trusted brand for quality content useful valuable skillful comprehensive and innovative Global projects products and creativity **The Instagram Handbook** Lazarus Tsavlidis, 2017-04-05 LEARN HOW TO MAKE INSTAGRAM WORK FOR YOU The Ultimate Instagram Handbook is the latest guide to achieving success on world s most popular photo sharing application meticulously explaining the basics of social media advertising and internet marketing methods to help grow and maintain a consistent and engaged following Providing simple tips tricks and recommendations to third party applications used by guru s in the community to help build their Instagram Empire HERE IS WHAT YOU WILL LEARN How to effectively brand yourself How to Integrate your social media platforms How to setup your Instagram profile correctly from an aesthetic point of view How to automate your post and upload schedule How to find trending and relevant hashtags How to create original content for your followers Ultimate Guide to Instagram for Business Kim Walsh Phillips, 2023-06-13 Are you ready to tap into Instagram s booming network of 1 386 billion viable customers Your customers are on Instagram right now waiting to buy from you With this all new updated Ultimate Guide to Instagram Second Edition social media marketing expert Kim Walsh Phillips highlights what s new and innovative and gives you the tools you need to get an immediate return on investment From

Instagram Marketing

IntroBooks,2018-02-20 Instagram is all about how the consumers react to the changing brands these days They expect all the brands to connect visually which are giving rise to newer challenges for the companies to implement new marketing techniques It is an amazing way for the brands to communicate to their customers in a natural and an inconspicuous way Instagram has been adopted by most of the brands so that they can cover all the bases on prevalent social media but have been unable to completely utilize the platform as an effective marketing channel More than 400 million eyes are on this social site but most of them have been unable to get their messages across it seems as the messages are being lost in the burst of content Instagram moves at a faster pace in comparison to the other social sites and the brands seem to have problems in marketing using a visual medium and creating cost effective ways to procure good imagery at this pace

The Instagram Playbook Parker Esmay,2018-08-06 You re SMART You know that if you aren t winning on Instagram you aren t winning Having an audience that identifies with your message means doing more business making more money and gaining influence You just don t know where to get started Or maybe you know that your message and your content has potential but you haven t been able to gain any traction yet How can you grow your account and gain a large following What you re doing now isn t working So what s the problem The answer You ve been lied too There are secret methods and techniques that the top Instagram accounts are leveraging to build an engaged audience Within the pages of this book you will find all of the tools and techniques necessary to DOMINATE your niche and build a large following In this step by step playbook you will be taught all the ins and outs of attracting real followers that are interested in hearing your message The Instagram Playbook is for entrepreneurs marketers businesses and influencers anywhere in the world that are serious about building an engaged audience on Instagram But here s the catch It s going to require more than being interested In order for you to extract all the power out of this book and truly gain a large audience on Instagram you must be committed to doing the work Building a large following is possible The methods in this book are PROVEN They work But you have to follow along and do the work

The question is are YOU ready to become an Instagram Tycoon **The Last Instagram Marketing Book You Will Ever Buy** Robb Taroni, 2018-12-28 The Last Instagram Marketing Book You Will Ever Buy Every Single Growth Hack You Need to Know in Order to Get 20 000 Relevant Followers Fast and Then Convert Them Into Loyal Customers If you are not using social media for marketing in 2019 you are not really running a business you are running a garage sale And contrary to the popular belief not a single platform offers more opportunities than Instagram However posting a photo of your product every once in a while and hoping that something happens won't cut it You need to know exactly What types of content make people stop what they are doing and check out your page How to make sure thousands of RELEVANT users see your posts even if they are not following you How to turn that attention into real results leads sales and profit and everything in between Yes it is kind of complicated at first But learning it will be worth every second of your time because brands who do this right see engagement rates 10x higher on Instagram than they do on the almighty Facebook HERE IS EXACTLY WHAT YOU GET IN THE BOOK 11 battle tested tactics to reach thousands of people on Instagram every day without spending a dime 6 step guide to launching and scaling insanely profitable ad campaigns Hint Works even if you have no experience in online marketing Checklist for turning your Instagram page into a lead generation machine and converting followers into repeat customers on autopilot 8 little known tricks that will allow you to beat Instagram's latest algorithm and drastically increase your posts reach while everyone else's drop 9 tips on how to make your content MAGNETIC and ensure people like comment and share it and that's just the tip of the iceberg I also dedicated whole chapters to advanced strategies social media agencies charge thousands of dollars for such as combining Instagram and email marketing to maximize sales success READ TODAY IMPLEMENT TOMORROW Instagram just made another big algorithm change and you have to adjust your business strategy to it You don't have time for 500 page books and 12 week courses That's why I made sure you don't find any boring stories or unnecessary facts in here just raw straight to the point techniques that WORK in 2019 You will get a clear step by step plan for turning your Instagram page into your business most powerful asset that you can start implementing the same day YOUR BUSINESS WILL NEVER BE THE SAME If you genuinely believe that strong Instagram presence is what your business has been missing And you are willing to take massive action as soon as you read the book Then this is the best book for you the money can buy As soon as you start implementing the tactics described you will realize that investing in this guide was the best business decision you've made in a while
