## Phonics Screening Check

### What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is an important part of learning to read and write. It helps children to understand how words are made and how they are written. This helps them to read and write more easily.

### How to help your child learn phonics

There are many ways to help your child learn phonics. Some of the best ways are to read to them, talk to them about the sounds of words, and play phonics games.

When you read to your child, point to the words and talk about the sounds they make. You can also play phonics games, such as word matching or word building.

### Phonics screening check

The phonics screening check is a test that is given to children in Year One. It is designed to see how well children understand the sounds of words and how they are written.

### What to expect from the phonics screening check

The phonics screening check is a test that is given to children in Year One. It is designed to see how well children understand the sounds of words and how they are written. The test consists of a series of questions that ask children to identify the sounds of words and to write words that match the sounds.

### Phonics screening check results

The phonics screening check results are used to help teachers understand how well children understand the sounds of words and how they are written. This helps teachers to tailor their teaching to the needs of each child.

### Phonics screening check
