student engagement TEFL Lesson Plans For Dummies is the classroom ready resource you need      **The English Teachers** RF Duncan-Goodwillie,2020-07-08 English teaching encompasses a variety individuals and contexts Much has been written about their jobs how to teach what to teach etc but very little about the people themselves until now In a series of interviews with current and former English teachers conducted in locations ranging from Rhode Island to Northern Iraq Rory Fergus Duncan Goodwillie provides an insight into the lives of the English teachers      **The Indigo Memoirs** Dexter Blithe,2016-01-14 This novel titled The Indigo Memoirs details anecdotes events thoughts opinions experiences and memories that have occurred during my life The book retells my travels over Australia and other parts of the world including Greece and Japan It includes my struggles at school as well as my personal and intimate experiences There is something for everyone in this book There elements of comedy suspense lust and action There are elements of spirituality and theology and the material is graphic and heavy at times The Indigo Memoirs tells the story of who I am and how I became who I am

**Social Interaction and English Language Teacher Identity** John Gray,Tom Morton,2018-05-15 Social interaction and English language teacher identity uses fine grained analyses of interaction in a range of teacher education and professional practice settings in ELT to explore the different identities and power relationships which teachers orient to It traces the role of identity and interaction in the processes of acquiring new teaching skills and knowledge reflecting on professional practice and constructing teaching selves and explores the limits and constraints on these processes imposed by global forces such as the marketization of education The book is written for teachers teacher educators postgraduate students and researchers interested in the relationships between social interaction identity and professional practice in ELT      **Duoethnography in English Language Teaching** Robert J. Lowe,Luke Lawrence,2020-02-05 This book sets out duoethnography as a method of research reflective practice and as a pedagogical approach in English Language Teaching ELT The book provides an introduction to the history of duoethnography and lays out its theoretical foundations The chapters then address duoethnography as a research method which can be used to explore critical and personal issues among ELT teachers discuss how duoethnography as a reflective practice can aid teachers in understanding themselves their colleagues or their context and demonstrate how duoethnography can be used as a pedagogical tool in ELT classrooms The chapters are a range of duoethnographies from established and emerging researchers and teachers which explore the interplay between cultural discourses and life histories with a focus on ELT in Japan      Assessing Language Teachers' Professional Skills and Knowledge Rosemary Wilson,Monica Poulter,2015-01-31 The growth in English language teaching worldwide and the related increase in teacher training programmes of all kinds highlight the need for greater accountability in the assessment of teachers The need for formal summative assessment has taken on greater importance in training programmes and requires procedures which do not always sit easily with the development process while transparency of assessment procedures is also increasingly demanded by the candidates themselves This edited volume discusses key issues in assessing language teachers

professional skills and knowledge and provides case study illustrations of how teacher knowledge and teaching skills are assessed at pre service and in service levels within the framework of the Cambridge English Teaching Qualifications The volume provides discussion of ways in which the changing nature of English language teaching has impacted on teacher education and assessment examples of specific assessment procedures for both teaching knowledge and practical classroom skills accounts of the ways in which the Cambridge English Teaching Qualifications have been integrated into and adapted for local contexts This is the first volume of its kind wholly dedicated to language teacher assessment and as such will be of interest to language teachers and teacher educators as well as to researchers and postgraduate students
