**American Institute of Architects**

## **Central Booking Baltimore:**

**Alternatives to Incarceration** United States. Congress. House. Committee on Government Reform. Subcommittee on Criminal Justice, Drug Policy, and Human Resources, 2001      **Prison Architecture** Leslie Fairweather, Sean McConville, 2013-05-13 Current and future prison designs are examined in this book within the government's prison building programme and the confines of current penal philosophies and legislation America has led the way in prison design with two main types of architecture predominating radial layouts outside cells with windows and linear blocks inside cells with grilles Now new generation prisons central association surrounded by small groups of cells look set to become the fashion But are they a better answer and should they be copied worldwide before we know Architects and administrators show in this book the designs of these new generation prisons and assess their impact Most countries in central Europe also have a rising crime rate and a demand for new prisons Contributions from significant architects from the UK Europe and America comment on these issues Other topics within the book are setting current prison architecture and design against an historical setting looking at penal ideas and prison architecture and design in the post war period the psychological effects of the prison environment the influence of technology and design on security management and how prison architecture and design can be more flexible and innovative      **Who Speaks for You?** Leo Wise, 2023-04-04 This book is on the investigation and prosecution of Baltimore Police Department's Gun Trace Task Force GTTF a group of detectives who were both cops and robbers at the same time The GTTF was supposed to trace guns back to the criminals responsible for Baltimore's stubbornly high rate of violent crime Instead federal authorities traced dozens of robberies burglaries and even an armed home invasion to the members of the GTTF In 2015 and 2016 Baltimore was reeling from the death of Freddie Gray the unrest that followed it and an explosion of violent crime that followed the unrest      *Poverty for Profit* Anne Kim, 2024-05-28 A Ms Magazine Most Anticipated Book A devastating investigation into the corporate poverty complex the myriad businesses that profit from the poor Poverty is big business in America The federal government spends about 900 billion a year on programs that directly or disproportionately impact poor Americans including antipoverty programs such as the earned income tax credit Medicaid and affordable housing vouchers and subsidies States and local governments spend tens of billions more Ironically these enormous sums fuel the corporate poverty complex a vast web of hidden industries and entrenched private sector interests that profit from the bureaucracies regulating the lives of the poor From bail bondsmen to dialysis providers to towing companies their business models depend on exploiting low income Americans and their political influence ensures a thriving set of industries where everyone profits except the poor while U S taxpayers foot the bill In *Poverty for Profit* veteran journalist Anne Kim investigates the multiple industries that infiltrate almost every aspect of the lives of the poor health care housing criminal justice and nutrition She explains how these businesses are aided by public policies such as the wholesale privatization of government services and the political influence these industries wield over lawmakers and regulators

Supported by original investigative reporting on the lesser known players profiting from the antipoverty industry Poverty for Profit adds a crucial dimension to our understanding of how structural inequality and structural racism function today

**Encyclopedia of Street Crime in America** Jeffrey Ian Ross,2013-03-01 Anyone living or working in a city has feared or experienced street crime at one time or another whether it be a mugging purse snatching or a more violent crime In the U S street crime has recently hovered near historic lows hence the declaration of certain analysts that street life in America has never been safer But is it really Street crime has changed over past decades especially with the advent of surveillance cameras in public places the territory of the street criminal but at the same time criminals have found ways to adapt This encyclopedic reference focuses primarily on urban lifestyle and its associated crimes ranging from burglary to drug peddling to murder to new more sophisticated forms of street crime and scams This traditional A to Z reference has significant coverage of police and courts and other criminal justice sub disciplines while also featuring thematic articles on the sociology of street crime Features Benefits 175 signed entries within a single volume in print and electronic formats provide in depth coverage to the topic of street crime in America Cross References and Suggestions for Further Readings guide readers to additional resources Entries are supported by vivid photos and illustrations to better bring the material alive A thematic Reader s Guide groups related entries by broad topic areas and within the electronic version combines with Cross References and a detailed Index for convenient search and browse capabilities A Chronology provides readers with a historical perspective of street crime in America Appendices provide sources of data and statistics annotated to highlight their relevance
