Andrews, Dawn Ottoni Wilhelm, 2012-01-01 A unique lectionary commentary focusing on matters of social justice *The Transforming Word Series, Volume 4* Mark Hamilton, 2022-10-18 The life and work of Jesus Christ must not be overlooked Born under Roman occupation Jesus lived his entire life without writing anything down His earliest followers the Christians that were shaped by his life and teachings carefully recorded his words as good news They also experienced his resurrection and believed that he had entrusted them with a mission to transform the world **True to Our Native Land, Second Edition** Brian K. Blount, Gay L. Byron, Emerson B. Powery, 2024-10-22 True to Our Native Land is a pioneering commentary on the New Testament that sets biblical interpretation firmly in the context of African American experience and concern In this second edition the scholarship is cutting edge updated and expanded to be in tune with African American culture education and churches The book calls into question many canons of traditional biblical research and highlights the role of the Bible in African American history accenting themes of ethnicity class slavery and African heritage as these play a role in Christian Scripture and the Christian odyssey of an emancipated people *The People's New Testament Commentary* M. Eugene Boring, Fred B. Hamilton, 2009 This is the first one volume Bible commentary edited by ACU faculty More than 30 contributors from various branches of the Stone Campbell movement were selected all of whom hold or are pursuing a doctoral degree in biblical studies Readers will find a usable introduction to each book and each section without being bogged down by every possible detail A bibliography will direct those who want to explore topics more in depth In illuminating the biblical texts the authors of this commentary draw on their knowledge of the original languages and a deep awareness of the literary shape and flow of the Bible the relevant archaeological and textual evidence from the ancient Near East or Greco Roman worlds and the history of biblical interpretation ancient medieval and modern Publisher **Mercer Commentary on the New Testament** Watson E. Mills, Richard F. Wilson, 2004 This one volume commentary on the Old Testament including the Deuterocanonical literature is taken from the Mercer Commentary on the Bible Every book of the Old Testament receives full commentary treatment complete with an introduction and outline to each book followed by a commentary on each book This volume is the perfect tool for students and teachers in that it provides the essential information in understanding the text and its meaning As such it is ideal for introductory courses on the Old Testament Hebrew Bible or for individual or group study **The Fortney Encyclical Black History** Albert Fortney Jr., 2016-01-15 The Encyclical Black History has been created for the critical and lack of vital Afro Centric Multi Curriculum text in urban school systems and is a necessity for African Americans This book was created with careful and serious

attention to biographical names that identifies history culture as well as biblical characters The reason why of this encyclical history can be explained with the facts and proof evidence of the following The point that has socio psychological implications at the unconscious as well as the conscious level is the great little white racist lie seen long enough becomes the truth like portraying a white Jesus Christ who was a black man Dr Alvin Poussaint a Black psychiatrist associated with Harvard University and others have observed and explained the most tragic part of all of this is that the African American has come to form his self image and self concept on the basis of what white racists have laid down as a guide or prescribed Therefore black men and women learn quickly to hate themselves and each other more than their white oppressor There is almost infinite evidence that racism has left almost irreparable scars on the psyche of Afro Americans that burden with an unrelenting painful anxiety that drives the psyche to reach out for a sense of identity and self esteem Poussaint and others say that black children especially learn to hate themselves at very early ages Studies reveal their preference for white dolls over black ones One study reported that black children in their drawings tend to show blacks as small incomplete people and whites as strong and powerful To conclude in western color symbolism white is positive and black negative Many people might ask why the contributions of Africa should be included in American curriculum Is because they bleach and still rob black history and culture with black pictured as white that lie leaves us mentally dead angry and without purpose of where we are going Human culture is the product of all humanity not the possession of a single racial or ethnic group Afro centric Multicultural educations major aim is to close the gap between Western ideals of equality justice and practices that contradict these ideas Stereotype people of color and people who are poor have just about no opportunities to become free of perspectives that are monoculture that devalue African culture victimize them mostly having an inability to fully function effectively in society Many of these problems could be miraculously remedied with astonishing results if explained of black scientific achievements which occurred in black Africa There are also white African Americans living in the U S A besides black African Americans should make the distinction Carl Sandburg 1979 related a dialogue between a white American and an American Indian which illustrates the need for multicultural education The white man drew a small circle in the sand and told the red man This is what the Indian knows and drawing a big circle around the small one this is what is what the white man knows The Indian then took the stick and swept an immensely big ring around both circles and said this is where the white man and the red man knows nothing

**I Found God in Me** Mitzi J. Smith, 2015-02-05 *I Found God in Me* is the first womanist biblical hermeneutics reader In it readers have access in one volume to articles on womanist interpretative theories and theology as well as cutting edge womanist readings of biblical texts by womanist biblical scholars This book is an excellent resource for women of color pastors and seminarians interested in relevant readings of the biblical text as well as scholars and teachers teaching courses in womanist biblical hermeneutics feminist interpretation African American hermeneutics and biblical courses that value diversity and dialogue as crucial to excellent pedagogy *The Word in Time*

Arthur J. Dewey,1991      **The Subversive Gospel** Thomas D. Hanks,2000      *Into the Temple Courts* Donald D. Binder,1999  
 Binder explores both the Jewish congregations and the buildings they met in throughout the Middle East from the late sixth century BCE and the earliest known synagogue at the time of his writing to 70 CE which marks the cessation of the Temple cult the abrupt termination of the high priestly hegemony that had mostly administered affairs in Palestine since the end of the Babylonian exile and a major change in Jewish worship and community life throughout the Roman Empire A companion website provides new information such as Ehud Netzer s March 1998 discovery of what may be the oldest synagogue yet The dissertation was for Southern Methodist University in 1997      A Simplified Harmony of the Gospels George W. Knight,2001  
 The four gospels woven into a single running narrative featured in HCSB translation      *The Cambridge Review* ,1908 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol      *The Man Jesus Loved* Theodore W. Jennings (Jr.),2003 Homosexuality has been at the forefront of debate in the church for the last quarter century with Biblical interpretation at the heart of this debate Some biblical passages appear to condemn certain same sex relationships or erotic practices resulting in a challenge to clergy as well as laity regarding the preaching and understanding of these Biblical passages In *The Man Jesus Loved* Jennings proposes a gay affirmative reading of the Bible in the hope of respecting the integrity of these texts and making them more clear as well as persuasive This reading suggests that the exclusion of persons on the basis of their sexual orientation or same sex practices fundamentally distorts the Bible generally and the traditions concerning Jesus in particular      New Testament Story David L. Barr,1995  
 The thesis of this book is that every New Testament writing stands within a story even if it does not tell stories The approach allows readers to view the documents as vital elements in the lives of real persons The book maintains its focus on bringing the writings alive and shows how critical study enhances understanding of their meanings Its prime goal is teaching students to read these writings for themselves bridging the chasms of language history and culture that separate them from us The latest methods of research are utilized in this quest but the focus always remains on the New Testament documents  
*Suetonius* Andrew Wallace-Hadrill,1983 Looks at the Lives of the Caesars as a document of the culture and attitudes of the early empire Suetonius is placed in his true literary context as a man of learning rather than a failed narrative historian and emperors and imperial society are seen through the eyes of a scholarly biographer who himself served a scholarly Caesar the Emperor Hadrian      The Sunday at Home ,1888      **Understanding the Human Jesus** Andrew Canale,1985  
**Dictionary of the Bible** James Hastings,John Alexander Selbie,John Chisholm Lambert,Shailer Mathews,1909      **On Earth as it is in Heaven** Dan Cohn-Sherbok,1987
