Entrepreneurship Roadmap Framework:

Patterns of Entrepreneurship Management Jack M. Kaplan, Anthony C. Warren, 2009-08-24 This third edition prepares entrepreneurs for the rewards and pitfalls of this career choice. It explores a new theme on how to effectively manage a start up company. Focus on Real Entrepreneurs sections highlight how entrepreneurs position their companies to meet the various marketing, financial and technological challenges. Management Track sections present key management issues while following the development of a real company. Entrepreneurs will also find real situations and examples on which they can practice the broad range of skills required to start and build a company in today's complex world.

The Open Group Architecture Framework TOGAF Version 9 The Open Group, 2015-01-01 The Open Group Architecture Framework TOGAF is a framework, a detailed method and a set of supporting tools for developing an enterprise architecture developed by members of The Open Group Architecture Forum www.opengroup.org/architecture. As a comprehensive open method for enterprise architecture, TOGAF Version 9 complements and can be used in conjunction with other frameworks that are more focused on specific aspects of architecture or for vertical sectors such as Government, Defense and Finance. TOGAF may be used freely by any organization wishing to develop an enterprise architecture for use within that organization subject to the Conditions of Use. This book is divided into seven main parts: PART I: Introduction. This part provides a high level introduction to the key concepts of enterprise architecture and in particular the TOGAF approach. It contains the definitions of terms used throughout TOGAF and release notes detailing the changes between this version and the previous version of TOGAF. PART II: Architecture Development Method. This is the core of TOGAF. It describes the TOGAF Architecture Development Method (ADM), a step by step approach to developing an enterprise architecture. PART III: ADM Guidelines and Techniques. This part contains a collection of guidelines and techniques available for use in applying TOGAF and the TOGAF ADM. PART IV: Architecture Content Framework. This part describes the TOGAF content framework, including a structured metamodel for architectural artifacts, the use of reusable architecture building blocks and an overview of typical architecture deliverables. PART V: Enterprise Continuum Tools. This part discusses appropriate taxonomies and tools to categorize and store the outputs of architecture activity within an enterprise. PART VI: TOGAF Reference Models. This part provides a selection of architectural reference models which includes the TOGAF Foundation Architecture and the Integrated Information Infrastructure Reference Model (IIRM). PART VII: Architecture Capability Framework. This part discusses the organization, processes, skills, roles and responsibilities required to establish and operate an architecture function within an enterprise.

A ROADMAP FOR BOOTSTRAPPING ENTREPRENEURS Donald Stern,2021-09-09

We hear every day about the flashy twenty five year old wunderkinds who have hit it big in the tech world and celebrated CEOs who have flourished in public companies But we rarely hear about the majority of successful men and women who at the average age of forty one start their own company He was forty when he founded Homax Corporation in 1981 He is an award winning entrepreneur who would like to share what he has learned in business and life with others With 25 000 of his own money and a 250 000 loan from the bank secured by everything they owned he was all in with a wife and two young children He sold his company in 1996 that was thoughtfully structured to be sustainable for those who helped him be successful

Talented management continued growing the company Homax is now owned by PPG The sale met his goal to retire comfortably at the age of fifty five with money and time left to acquire new skills and pursue other adventures How Hard Can It Be How I Found Success through Intention Integrity and 75 in My Pocket is a 67 000 word book that echoes the words of St Francis of Assisi Start by doing what is necessary then what is possible and suddenly you are doing the impossible His story shows young entrepreneurs how to plot their course to succeed in business and life by building cultures with good character while simultaneously growing themselves It also speaks to the middle aged start up entrepreneur about how to assess risk and how to focus their courage to begin His personal story is eclectic He left home at the age of nineteen with 75 and a used car Much of his book includes anecdotes some funny some quite serious that help frame my message They are intertwined with his personal stories about racing cars windsurfing heli skiing and piloting high performance aircraft and he uses these kinds of experiences to punctuate a point In spite of facing a new normal the basic principles he describes in his book remain constant A changing world even the coronavirus has always been the clarion call for entrepreneurs and people of creative spirit to rise to the surface and lead the way
