Chapter summaries and reviews allow for easy review of each chapter's main concepts. Robust appendices including sample paper records, electronic documentation, and demonstration of Microsoft Excel equip you with all the extras you need to enter the HIM world. NEW Content mapped to 2014 AHIMA CEE competencies and domains so you can prepare for the current health information environment and the RHIT exam. NEW SimChart and SimChart for the Medical Office samples feature screenshots from EHRs to demonstrate electronic medical records in use. NEW More exercises give you additional opportunities to practice your knowledge of material. NEW AHIMA competency mapping included in the front of book to provide instructors and students with instant access to the AHIMA domains and competencies needed to prepare for the RHIT exam. NEW Classroom handouts can be used in the classroom or as homework and include a variety of exercises.

Health Information Technology - E-Book Nadinia A. Davis, Melissa LaCour, 2014-03-27. Reflecting emerging trends in today's health information management. Health Information Technology 3rd Edition covers everything from electronic health records and collecting healthcare data to coding and compliance. It prepares you for a role as a Registered Health Information Technician, one in which you not only file and keep accurate records but serve as a healthcare analyst who translates data into useful quality information that can control costs and further research. This edition includes new full color illustrations and easy access to definitions of daunting terms and acronyms. Written by expert educators Nadinia Davis and Melissa LaCour, this book also offers invaluable preparation for the HIT certification exam. Workbook exercises in the book help you review and apply key concepts immediately after you've studied the core topics. Clear writing style and easy reading level makes reading and studying more time efficient. Chapter learning objectives help you prepare for the credentialing exam by corresponding to the American Health Information Management Association's AHIMA domains and subdomains of the Health Information Technology HIT curriculum. A separate Confidentiality and Compliance chapter covers HIPAA privacy regulations. Job descriptions in every chapter offer a broad view of the field and show career options following graduation and certification. Student resources on the Evolve companion website include sample paper forms and provide an interactive learning environment. NEW Full color illustrations aid comprehension and help you visualize concepts. UPDATED information accurately depicts today's technology including records processing in the EHR and hybrid environments, digital storage, concerns, information systems implementation, and security issues including HITECH's impact on HIPAA regulations. NEW Glossary terms and definitions.

plus acronyms abbreviations in the margins provide easy access to definitions of key vocabulary and confusing abbreviations  
NEW Go Tos in the margins cross reference the textbook by specific chapters  
NEW Coding boxes in the margins provide examples of common code sets  
Over 100 NEW vocabulary terms and definitions ensure that the material is current and comprehensive  
NEW Patient Care Perspective and Career Tips at the end of chapters include examples of important HIM activities in patient care and customer service
