*Story Virality* Monica Leonelle, 2021-05-25 You know how to market your book but is the book itself making it harder to gain traction This is a question that all writers and authors struggle with We aren't always great at evaluating our own work whether we are new to publishing or on our twentieth book And the answers we get from other authors is usually to Write to a more popular trend End the series faster Hire a developmental editor Try a new marketing tactic Change the cover or blurb Write the next book But here's the thing your back catalog is not dead weight You worked hard on your book or series and there's no reason you can't get it selling better Without having to write to a trend you're not passionate about Without having to add in tropes that don't make sense Without having to hire another editor editors can't fix a marketing issue within your story Without having to change your writing style Without having to do what everyone else says is the only thing that's selling right now Editing For Marketability is new and different It's an advanced approach to writing to market that breaks down why books sell based on persuasive writing techniques found across storytelling branding psychology public relations and marketing And yes it applies readily to novels I share the how in the book When you practice marketability editing you take your story through the Book Virality Stack a

framework with six virality factors that helps you see where your book has marketing hooks and where it doesn't. I teach you how to improve your marketability under each factor so you get to choose. I also teach you how you can better emphasize the various hooks you already have in your book if you've already published and don't have time for a full edit. You can use this framework to make sure your next release is written to market. Fix an underperforming first in series or other reader magnet so your series starts selling better. Build a breakout book from the ground up to bring visibility to your entire catalog. You became a creative to express yourself and share your stories. Editing For Marketability helps you connect to a larger audience without sacrificing your characters, plot, or autonomy over your work.

*The TV Showrunner's Roadmap* Neil Landau, 2013-12-04 If you've ever dreamed of being in charge of your own network cable or web series then this is the book for you. *The TV Showrunner's Roadmap* provides you with the tools for creating, writing, and managing your own hit show. Combining his 20 years as a working screenwriter and UCLA professor, Neil Landau expertly guides you through 21 essential insights to the creation of a successful show and takes you behind the scenes with exclusive and enlightening interviews with showrunners from some of TV's most lauded series including *Breaking Bad*, *Homeland*, *Scandal*, *Modern Family*, *The Walking Dead*, *Once Upon a Time*, *Lost*, *House*, *M.D.*, *Friday*, *Night Lights*, *The Good Wife*. From conception to final rewrite, *The TV Showrunner's Roadmap* is an invaluable resource for anyone seeking to create a series that won't run out of steam after the first few episodes. *The HBO Effect* Dean J. DeFino, 2013-11-21 No advertisers to please, no censors to placate, no commercial interruptions every eleven minutes, demanding cliffhangers to draw viewers back after the commercial breaks. HBO has re-written the rules of television, and the result has been nothing short of a cultural ground shift. *The HBO Effect* details how the fingerprints of HBO are all over contemporary film and television. Their capability to focus on smaller markets made shows like *Sex and the City*, *The Sopranos*, *The Wire*, and even the more recent *Game of Thrones* and *Girls* trigger shows on basic cable networks to follow suit. HBO pioneered the use of HDTV and the widescreen format, production and distribution deals leading to market presence, and the promotion of greater diversity on TV, discussing issues of class and race. *The HBO Effect* examines this rich and unique history for clues to its remarkable impact upon television and popular culture. It's time to take a wide angle look at HBO as a producer of American culture.

*Fantasy Review*, 1984     *Library Journal*, 1998-05     ***The Encyclopedia of Science Fiction and Fantasy Through 1968: Who's who, A-L***, 1974 This massively comprehensive work of science fiction and fantasy bibliography is already a library standard. It consists of an alphabetical listing of hundreds of authors, anthologists, editors, artists, etc. with biographical sketches where available and compilations of their science fiction and fantasy works. The contents of most collections and anthologies are listed. In most cases, the entries include bibliographic data for all known English language editions and forms as well as some foreign translations. Each author's entry also includes listings of books.

and short stories which form connected series such as Robert Heinlein's famous Future History Large 8 1/2 x 11 inch pages in two columns of small print      The Publishers Weekly ,2005      **Fantasy Publishing Facts** Jacob Smith, AI, 2025-02-20

Fantasy Publishing Facts explores the business and social science aspects of the fantasy genre revealing the economic engines and social dynamics that drive this popular form of entertainment The book delves into the publishing industry examining sales data and market trends to understand the financial scale of fantasy literature It also investigates reader demographics and the influence of social media on readership providing a comprehensive view of the fantasy ecosystem A key insight is the demonstration of how the fantasy genre functions as both a creative endeavor and a complex system The book uses a data driven approach integrating economic analysis with social science insights to reveal the interplay between publishers and readers For instance author incomes and reader demographics are analyzed alongside social media trends to showcase the economic impact and social influences shaping the genre The book progresses through four sections starting with core concepts and methodologies then analyzing the production side sales incomes publishing houses followed by an examination of readership demographics communities social media and finally synthesizing these findings to offer practical implications for authors publishers and marketers This multi dimensional approach makes Fantasy Publishing Facts uniquely valuable for anyone seeking a deeper understanding of the fantasy publishing world      Write Your Reality Carissa L.
