**Medusa** Rosie Hewlett,2025-09-04 Praise for Rosie Hewlett Delightfully devastating Bea Fitzgerald author of Girl Goddess Queen A fiery and dramatic novel Jennifer Saint author of Ariadne Vivid and powerful Luna McNamara author of Psyche and Eros You know her name you know her story Just not the right one Within the depths of the Underworld the formidable snake haired Gorgon has finally had enough Tired of being eternally and unjustly brandished a villain Medusa has found the courage to face her tragic past and speak out Determined to expose the centuries of lies surrounding her name Medusa gives unparalleled insight into her cursed life from her earliest memories and abandonment at birth right through to her tragic and untimely death at the hands of the hero Perseus Through telling her story Medusa finally reveals the lost truth behind antiquity s most infamous monster Medusa breathes new life into an ancient story and echoes the battle that women throughout millennia have continued to wage the opportunity to simply be heard Readers love Rosie s writing This book is up there with Song of Achilles as one of my all time favourite retellings Heart breaking and beautiful Any readers of mythological retellings struggling to find a rival to Madeline Miller should look no further than Rosie Hewlett Absolutely spellbinding Dark moody at times heartbreaking and utterly phenomenal this book is

an absolute must read for any fans of Circe or Ariadne concerned with spirituality are seekers instead of possessing truth they seek to be possessed by it Thus a fully spiritual person is forever learning and growing William Blake the seminal mystic poet who worked to bring about change both in the social order and in common ways of thinking taught that all we need to do is cleanse the doors of perception and we shall see things as they are infinite And nothing cleanses and enlarges the doors of perception like great literature Whether it be poetry a short story a novel historical fiction fantasy literature or biographical writing the literary experience is slightly beyond a reader s horizon of understanding When literature enhances spirituality as is true of the dozen or more selections examined in Deep Splendor each literary moment confounds in order to keep us forever enthralled forever longing The authors and works examined in this study explore timeless spiritual themes such as coming of age relationships self integration the struggle of good versus evil the nature of change and the corruptive aspects of power When we think about great literature it is easy to focus objectively on the literature itself on what makes literature bad or good However another essential distinction involves the reader replacing the category good book with that of good reader As master teacher C S Lewis wrote a quality of good readers is that they seek an enlargement of their being Deep Splendor will teach you how to read great literature and how to be a good reader
