Busting Food Myths Amara H. Livingston, 2025-01-10 Unravel the Truth Behind What's Really on Your Plate Are you confused about what to believe when it comes to food and nutrition? You're not alone! In a world overflowing with dietary advice, separating fact from fiction can feel impossible. *Busting Food Myths: What's Real and What's Not on Your Plate* offers a compelling exploration into the world of food myths, debunking the misinformation that clouds our understanding of healthy eating. From sugar to superfoods, each chapter meticulously dissects popular myths, providing clarity through science-backed insights. Discover the real effects of carbohydrates, understand the truth about fats, and gain clarity on the controversies surrounding gluten and dairy. This book challenges preconceived notions about what we consume, bringing to light the surprising truths about sugar alternatives, the benefits of organic food, and the complexities of food labels. Whether you're baffled by the superfood craze or intrigued by the promise of vegetarianism, this book invites you to question everything you thought you knew about nutrition. With insights into the effects of stress on eating habits and an examination of the keto craze, the book equips you with the knowledge to make informed food choices. It's more than a guide; it's a revelation that empowers you to take control of your diet based on genuine facts, not myths. Are you ready to challenge your plate's status quo? Dive into a world where informed choices lead to a healthier you, free from the chains of food myths. Let this book be your companion on a journey to nutritional enlightenment, where authenticity reigns and each meal is a step towards a truthful life.

A Comprehensive Guide to Male Aesthetic and Reconstructive Plastic Surgery Seth R. Thaller, Mimi N. Cohen, 2024-06-07 This book offers an authoritative and comprehensive overview of the wide range of surgical procedures and non-invasive options for the male cosmetic and reconstructive patients. Chapters examine the full gamut of unique male aesthetic and reconstructive surgical procedures, written by an interdisciplinary team of well-known and well-respected national and international contributors. The book provides an up-to-date and highly illustrated coverage of existing techniques and innovative new technologies. Chapters relay the interplay between the unique male anatomy, expectations, clinical implications, therapeutic gems, and approach to men seeking aesthetic enhancements. Each chapter highlights a concise but comprehensive description of the clinical issue, augmented by appropriate illustrations, related art works, and videos. When applicable, an interdisciplinary style utilizing the expertise of allied specialties such as dermatology, facial plastic surgery, and oculoplastic surgery are utilized. Chapters address key issues and areas not previously included in other books, such as Direct excision of nasolabial folds and submental region, Facial rejuvenation, and other aesthetic procedure available to people of color, Surgery for body builders, Buried penis, Management of hyperhidrosis, HIV facial wasting, and buffalo hump. *A Comprehensive Guide to Male Aesthetic and Reconstructive Surgery* is a must-have resource for plastic and reconstructive surgeons to successfully manage the distinctive, unique needs of the male patient. **Proceedings of International Joint Conference on Advances in Computational Intelligence** Mohammad Shorif Uddin, Jagdish Chand Bansal, 2025-07-09 This

The Politics of Social Media Manipulation Richard Rogers, Sabine Niederer, 2025-10-01 Disinformation and so called fake news are contemporary phenomena with rich histories Disinformation or the willful introduction of false information for the purposes of causing harm recalls infamous foreign interference operations in national media systems Outcries over fake news or dubious stories with the trappings of news have coincided with the introduction of new media technologies that disrupt the publication distribution and consumption of news from the so called rumour mongering broadsheets centuries ago to the blogosphere recently Designating a news organization as fake or der L genpresse has a darker history associated with authoritarian regimes or populist bombast diminishing the reputation of elite media and the value of inconvenient truths In a series of empirical studies using digital methods and data journalism the authors inquire into the extent to which social media have enabled the penetration of foreign disinformation operations the widespread publication and spread of dubious content as well as extreme commentators with considerable followings attacking mainstream media as fake

Getting Real About Inequality Cherise A. Harris, Stephanie M. McClure, 2022-01-07 Getting Real About Inequality is a contributed reader for undergraduate courses in Race Class Gender Social Inequality or the Social Construction of Difference and Inequality It gives instructors in these courses a set of materials to help them moderate civil productive and social science based discussions

with their students about social statuses and identities Like the book it is modeled after *Getting Real About Race* it is organized around myths and stereotypes that students might already believe or be familiar with through the media or popular culture A panel of expert contributors were enlisted to write short accessible essays address the same questions What is the myth or stereotype under investigation How do we know that the myth or stereotype is widespread What does the empirical data tell us and provide the same pedagogical features a summary of the research data discussion questions suggestions for further study suggested activities and assignments All of pieces in the book employ an intersectional perspective to help students see the nuanced mechanisms of power and inequality that are often lost in everyday discourse

Disney Parks and the Construction of American Identity Jennifer A. Kokai, Tom Robson, 2024-08-26 Writing in a time of heightened political anxiety and when accusations of nationalism authoritarianism and proto fascism have increasingly divided Americans into factions the authors use their influential performance studies based tourist as actor framework to unpack the ways that Disney parks and their guests co create performance of implicit Americanness in the 21st century This book argues that the roles that guests choose to perform accepting declining negotiating or overwriting scripts offered to them by the Disney theme park experience ultimately reveals much about the nature of the contemporary United States Focusing primarily on Walt Disney World in Florida and using case studies on music geography and ecology sports families and politics these chapters illuminate the always complicated and often contradictory presentations and performances of America within Disney parks in the deeply contested twenty first century

Social Media, Polarization and Democracy Elsa Clara Massoc, Maximilian Lubda, 2022 In times of increased political polarization the continuing existence of a deliberative arena where people with antagonistic views may engage with each other in non violent ways is

critical for democracy to live on Social media are usually not conceived as such arenas On the contrary there has been widespread worry about their role in increasing polarization and political violence This paper suggests a more positive impact of social media on democracy Our analysis focuses on the subreddit r WallStreetBets r WSB a finance related forum that came under the spotlight when its users coordinated a financial attack on hedge funds during the Gamestop saga in early 2021 Based on an original method attributing partisanship scores to users we present a network analysis of interactions between users at the opposite sides of the political spectrum on r WSB We then develop a content analysis of politically relevant threads in which polarized users participate Our analyses show that r WSB provides a rare space where users with antagonistic political leanings engage with each other debate and even cooperate
