## 2025 Edition Myth Retelling Novel:

*The Routledge Encyclopedia of Indian Writing in English* Manju Jaidka, Tej N. Dhar, 2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked. Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English. Showcasing the burgeoning field of Indian English writing this encyclopedia documents the poets, novelists, essayists, and dramatists of Indian origin since the pre-independence era and their dedicated works. Written by internationally recognized scholars this comprehensive reference book explores the history and development of Indian writers, their major contributions, and the critical reception accorded to them. The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students, teachers, and academics navigating the vast area of contemporary world literature.

[The Girl Who Fell Beneath the Sea](#) Axie Oh, 2022-02-22 A New York Times Bestseller. Axie Oh's *The Girl Who Fell Beneath the Sea* is an enthralling feminist retelling of the classic Korean folktale *The Tale of Shim Cheong* perfect for fans of *Wintersong*, *Uprooted*, and *Miyazaki's Spirited Away*. Deadly storms have ravaged Mina's homeland for generations. Floods sweep away entire villages while bloody wars are waged over the few remaining resources. Her people believe the Sea God, once their protector, now curses them with death and despair. In an attempt to appease him, each year a beautiful maiden is thrown into the sea to serve as the Sea God's bride in the hopes that one day the true bride will be chosen and end the suffering. Many believe that Shim Cheong, the most beautiful girl in the village and the beloved of Mina's older brother Joon, may be the legendary true bride. But on the night Cheong is to be sacrificed, Joon follows Cheong out to sea, even knowing that to interfere is a death sentence. To save her brother, Mina throws herself into the water in Cheong's stead. Swept away to the Spirit Realm, a magical city of lesser gods and mythical beasts, Mina seeks out the Sea God, only to find him caught in an enchanted sleep. With the help of a mysterious young man named Shin, as well as a motley crew of demons, gods, and spirits, Mina sets out to wake the Sea God and bring an end to the killer storms once and for all. But she doesn't have much time. A human cannot live long in the land of the spirits. And there are those who would do anything to keep the Sea God from waking. Praise for *The Girl Who Fell Beneath the Sea*: An ABA Indie Bestseller. On every page I found something marvelous and new, and I was eager to keep reading because I wanted to further explore this wondrous new world. —The New York Times A beautiful, mesmerizing retelling I wish I'd had when I was growing up. A heartfelt tale that I will be recommending for years to come. —Elizabeth Lim, New York Times bestselling author of *Six Crimson Cranes* A clever, creative, and exquisitely written tale of sacrifice, love, and fate. —Stephanie Garber, New York Times bestselling author of *Caraval* Also by Axie Oh: *The Floating World*, *The Demon and the Light*

**The Ancient World in Alternative History and Counterfactual Fictions** Alberto J. Quiroga Puertas, Leire Olabarria, 2024-08-22 Focusing in turn

on history powerful individuals under represented voices and the arts the essays in this collection cover a wide variety of modern and contemporary narrative fiction from Jo Walton and L Sprague De Camp to T S Chaudhry and Catherynne M Valente Chapters look into the question of chance versus determinism in the unfolding of historical events the role individuals play in shaping a society or occasion and the way art and literature symbolise important messages in counterfactual histories They also show how uchronic narratives can take advantage of modern literary techniques to reveal new and relevant aspects of the past giving voices to marginalised minorities and suppressed individuals of the ancient world Counterfactual fiction and uchronic narratives have been largely up until now the domain of literary critics However these modes of literature are here analysed by scholars of Ancient History Egyptology and Classics shedding important new light on how cultures of the ancient world have been and still are perceived and to what extent our conceptions of the past are used to explore alternate presents and futures Alternate history entices the imagination of the public by suggesting hypothetical scenarios that never occurred underlining a latent tension between reality and imagination and between determinism and contingency This interest has resulted in a growing number of publications that gauge the impact of what if narratives and this one is the first to give scholars of the ancient world centre stage
