The Routledge Companion to Politics and Literature in English Matthew Stratton, 2023-05-31 The Routledge Companion to Politics and Literature in English provides an interdisciplinary overview of the vibrant connections between literature politics and the political. Featuring contributions from 44 scholars across a variety of disciplines the collection is divided into five parts Connecting Literature and Politics Constituting the Polis Periods and Histories Media Genre and Techne and Spaces Organized around familiar concepts such as humans animals workers empires nations and states rather than theoretical schools it will help readers to understand the ways in which literature affects our understanding of who is capable of political action who has been included in and excluded from politics and how different spaces are imagined to be political. It also offers a series of engagements with key moments in literary and political history from 1066 to the present in order to assess and reassess the utility of conventional modes of periodization. The book extends current discussions in the area looking at cutting edge developments in the discipline of literary studies which will appeal to academics and researchers seeking to orient their own interventions within broader contexts

Neuroscience and Media Michael Grabowski, 2014-12-05 This volume explores how advances in the fields of evolutionary neuroscience and cognitive psychology are informing media studies with a better understanding of how humans perceive think and experience emotion within mediated environments. The book highlights interdisciplinary and transdisciplinary approaches to the production and reception of cinema television the Internet and other forms of mediated communication that take into account new understandings of how the embodied brain senses and interacts with its symbolic environment. Moreover as popular media shape perceptions of the promises and limits of brain science contributors also examine the representation of neuroscience and cognitive psychology within mediated culture
