The Martian Message Kids' Bedtime Stories Ayokunle Mathew Akinbi,2025-08-19 In a dusty attic filled with forgotten treasures ten year old Leo stumbles upon his late grandfather s greatest secret an old shortwave radio picking up a mysterious rhythmic pulse from the stars It s a ghost signal from Mars Teaming up with his best friend Maya Leo discovers the signal is more than just noise it s a complex blueprint for an impossible machine Following a trail of clues left in his grandfather s journal the two friends embark on a grand scavenger hunt to piece together a strange device from junkyard scraps borrowed parts and their own ingenuity But when they finally power it on they don t just receive a message they open a window Staring back at them from the red plains of Mars is a lonely rover with a secret that will change their world forever

Conceptual PlayWorlds for Belonging Kelly-Ann Allen,Marilyn Flear,Lara McKinley,2025-02-27 For effective use this book should be purchased alongside the story books Mia Belongs Here and School is Where We All Belong The books can be purchased individually or as a set Building Conceptual PlayWorlds for Belonging Stories and Activities to Build a Sense of Belonging Fostering a sense of belonging in early childhood is crucial for the development and wellbeing of young children This practical resource is for use with children aged 4 8 to help build strong connections and a sense of belonging Through the practice of mindfulness children are encouraged to pause and fully engage with the place and moment they are in Based on the Conceptual PlayWorld an evidence based model of intentional teaching developed by Professor Marilyn Flear this book includes a range of research informed activities Each chapter provides educators with a Conceptual PlayWorld to implement

which will engage children in practical scenarios and problem solving activities rooted in play They address different aspects of belonging at home and in school settings aiming to foster empathy inclusion and community in young learners The narratives are crafted around two foundational storybooks *Mia Belongs Here* and *School is Where We All Belong* enhancing the connection between storytelling and experiential learning In a world of increasing rates of loneliness disconnection and social isolation opportunities to encourage a sense of belonging in children have never been more needed This unique educational resource will help teachers practitioners and parents empower children to thrive academically socially and emotionally

Blueprints for Building Better Girls Elissa Schappell, 2012-07-10 Elissa Schappell a diva of the encapsulating phrase capable of conveying a Pandora's box of feeling in a single line The New York Times Book Review delivers eight provocative darkly funny linked stories that map America's shifting cultural landscape from the late 1970s to the present day *Blueprints for Building Better Girls* delves into the lives of an eclectic cast of archetypal female characters from the high school slut to the good girl the struggling artist to the college party girl the wife who yearns for a child to the reluctant mother mapping America's shifting cultural landscape from the late 1970s to the present day Its interconnected stories explore the commonly shared but rarely spoken of experiences that build girls into women and women into wives and mothers In revealing all their vulnerabilities and twisting our preconceived notions of who they are Elissa Schappell alters how we think about the nature of female identity and how it evolves

From Magical Child to Magical Teen Joseph Chilton Pearce, 2003-02-24 A groundbreaking perspective on Nature's plan for full human creativity and intelligence during the teen years Shows what is at the core of today's serious social and psychological problems Explores the sexual and spiritual stage of adolescent development Details the connection between adolescent brain and heart development and the issue of nature vs nurture By the author of *Magical Child* 250 000 copies sold Something is supposed to happen during the adolescent years something greater than MTV video games and the Internet Joseph Chilton Pearce describes this something as the natural mandate for post biological development the development of the sexual and spiritual senses and expansion of our growth process outside of our bodies and into the physical world that surrounds us Though first written in the mid 1980s the message of *From Magical Child to Magical Teen* is even more compelling and helpful today especially for those who live with and work with adolescents Drawing on the stages of development outlined by Swiss biologist Jean Piaget and the brain research of neuroscientist Paul MacLean Pearce demonstrates how nature has built into us an agenda for the intelligent unfolding of our lives He offers a powerful critique of contemporary child rearing practices and a groundbreaking alternative to existing perspectives on adolescence so we can unleash our greatest potential as well as that of our children in order to experience our fullness in the manner nature intended all along
