Girl, Goddess, Queen Bea

Fitzgerald,2025-09-02 To hell with love this goddess has other plans Thousands of years ago the gods spun a myth based on a lie They claimed that though Persephone was to be a prize bride for the most deserving god Hades kidnapped her for himself That she was just a pawn in the complicated politics of Olympus That her mother Demeter was so distraught she caused the Earth to start dying The real story is much more interesting Persephone wasn't taken to hell she jumped There was no way she was going to be married off to some smug god more in love with himself than her Now all she has to do is convince the Underworld's annoyingly sexy arrogant and frankly rude ruler Hades to fall in line with her plan A plan that will shake Mount Olympus to its very core But consequences can be deadly especially when you're already in hell A fierce fresh and

enormously fun YA fantasy re imagining from a growing TikTok star

This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change
