Printed Books**

Centaur Wisconsin Poetry Series:

Centaur Greg Wrenn, 2013-05-17 Greg Wrenn's debut collection opens with a long poem in which a man undergoes surgery to become a centaur. Other poems speak in voices as varied as those of Robert Mapplethorpe, Hercules, and a Wise Man at the birth of Jesus. Centaur skitters along the blurred lines between compulsivity and following one's heart, stasis and self-realization, human and animal. Here suffering and transcendence are restlessly conjoined. *The Best American Poetry 2014* David Lehman, Terrance Hayes, 2014-09-09 National Book Award-winning poet Terrance Hayes selects the poems for the 2014 edition of *The Best American Poetry*, a best anthology that really lives up to its title. Chicago Tribune: The first book of poetry that Terrance Hayes ever bought was the 1990 edition of *The Best American Poetry* edited by Jorie Graham. Hayes was then an undergrad at a small South Carolina college. He has since published four highly honored books of poetry, is a professor of poetry at the University of Pittsburgh, has appeared multiple times in the series, and is one of today's most decorated poets. His brazen, restless poems capture the diversity of American culture with singular artistry, grappling with facile assumptions about identity and the complex repercussions of race history in this country. Always eagerly anticipated, the 2014 volume of *The Best American Poetry* begins with David Lehman's state-of-the-art foreword, followed by an inspired introduction from Terrance Hayes on his picks for the best American poems of the past year. Following the poems is the apparatus for which the series has won acclaim: notes from the poets about the writing of their poems. *Crazy Horse*, 2013

Subject Index of the Modern Works Added to the British Museum Library British Museum. Department of Printed Books, 1927 **Subject Index of the Modern Books Acquired by the British Museum in the Years ...**, 1927 **The Writer**, 1921 **The New Republic** Herbert David Croly, 1925 **Italian Literature Before 1900 in English Translation** Robin Healey, 2011-01-01 *Italian Literature before 1900 in English Translation* provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008. It lists works from all genres and subjects and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900 Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the translations were received. Among the works by over 1,500 authors represented in this volume are hundreds of editions by Italy's most translated authors: Dante Alighieri, Niccolò Machiavelli, and Giovanni Boccaccio, and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's *Twentieth Century Italian Literature in English Translation*, this volume makes comprehensive information on translations accessible for schools, libraries, and those interested in comparative literature. Pub desc [The annual American catalog](#), 1898 **Printers' Ink**, 1892 [Contemporary American Women Poets](#) Tooni Gordi, 1936 **The United States Catalog**, 1925 *Subject Index of Modern Books Acquired 1881/1900-*.
