The Character of Jesus (Classic Reprint) Charles Edward Jefferson, 2015-07-08 Excerpt from The Character of Jesus The following discourses were delivered in the Broadway Tabernacle on the Sunday evenings between January first and Easter of the winters of 1907 and 1908 twelve of them in the former year and fourteen of them in the latter They are simple studies in the character of Jesus the twofold purpose of the preacher being to incite professing Christians to a deeper devotion to their Master and to awaken in non christians a desire to know more of the founder of the Christian church and to persuade them to become his followers The congregations were composed largely of young men not a few of them being students It is in response to numerous requests

of these young men that the sermons are now published No preacher speaks entirely as he writes or writes altogether as he speaks The sermons have been allowed to retain for the most part the unstudied form of extemporaneous discourse not even the repetitions being eliminated which are inevitable in a course of sermons addressed to a congregation changing from week to week Questions of authorship and text were all left untouched as having but slight interest for a majority of those who heard the sermons After a study of a con About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Faith of a Quaker (Classic Reprint) John William Graham, 2017-02-06 Excerpt from The Faith of a Quaker There arise also the insistent questions which beset all mystics and which in Quakerism demanded a corporate instead of an individual answer Was the light infallible Was the claim to it an assumption of spiritual exaltation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Man Called Jesus (Classic Reprint) John P. Kingsland, 2017-07-11 Excerpt from The Man Called Jesus IT is a matter of prime importance that the Christian should gain as true and deep an insight as he possibly can into the Character of Him whom he professes to adore and serve The goal of the Christian life is the attainment of Christlikeness But if we are to try to be like Christ we must know what He was like Nay further if we are to gain a true knowledge of God we must learn to know Him through the Man who alone fully declares Him We apprehend the Character of God truly only to the extent to which we have apprehended the Character of Jesus Christ But though the witness of the Gospels has been before the world for eighteen centuries it will hardly be seriously questioned by any thoughtful mind that we are still very far indeed from a true and thorough apprehension of Him whose life and teaching they so simply and graphically record About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections
