Activated Script Analysis Elizabeth Brendel Horn,2023-05-02 Activated Script Analysis engages theatre students in traditional formative script analysis through a fusion of devised theatre and various modes of creative expression dispelling the notion of script analysis as an isolated pen to paper task and reimagining it as a captivating and collaborative process This book uses diverse contemporary plays to model the script analysis process for each of four Theatrical Elements Given Circumstances Character Setting and Structure By considering each of these elements readers can uncover patterns and themes within a dramatic text Woven throughout the study of each theatrical element are Connections Personal Connections which encourage readers to explore a theatrical element within

their own lives as though their lives were a script Play Connections which make abstract ideas presented in script analysis concrete through theatre based play Professional Connections which examine how a theatre professional might analyze a script within their own work and Performative Connections which provide the opportunity for students to explore a theatrical element through performance using devised theatre strategies At the end of each chapter readers are given the opportunity to analyze a text through the lens of a Theatrical Element and to express their findings through a variety of digital written visual and performance based modes of expression Activated Script Analysis is designed for undergraduate theatre students and educators to be used as the primary text in Script Analysis coursework or as a supplemental text in Acting or Directing courses The book includes access to downloadable templates and example videos available at www.routledge.com
