

## LESSON PLAN: KIDS FOR CHARACTER PLEDGE

### OBJECTIVES

- Develop familiarity with the core values of the Six Pillars of Character.
- Make connections between the values and students' lives.

### MATERIALS

- Kids for Character Pledge handout for each student  
(Colorful packs of pledge certificates are available at [CharacterCounts.org/store](http://CharacterCounts.org/store).)
- Flash cards for key vocabulary
- Visual aids demonstrating the core values (photos, clip art, etc.)
- Coloring pens, pencils, or crayons

### PROCEDURE

1. Display the flash cards in a prominent place. Ask students if they recognize any words.
2. Cover all the flash cards except "Fair." Ask if anyone knows this word or an example of when something is fair or not fair. Most children are familiar with "It's not fair," so use this prompt to elicit suggestions and examples.
3. Discuss how it feels when something isn't fair. Ask how students can be fair to each other and the teacher. Examples might include not talking when the teacher is speaking (it's not fair if others can't hear), sharing classroom materials, or playing games by the rules.
4. Show the class the visuals. Ask them to pick out images that show examples of people being fair.
5. Place the photos around the flash card and display them in a prominent place.
6. Continue steps 2-5 with the other words, using cues that students will recognize to prompt their ideas and experiences of the word. "Citizen" may be a difficult word, so introduce visuals to help them understand it.
7. Display all the words together with the visuals in a prominent area. Ask the class if the words are good words. Ask if the class would like to try to be like the people in the pictures around the words.
8. Explain that we can make a promise to always try to be like those people. Explain that this is called a pledge. Distribute the Kids for Character Pledge. Explain the vocabulary as necessary.
9. Read the pledge together. Tell the students to sign their pledge. Place the finished sheets around the flash cards and their images.

Dawn Woody, McGraw-Hill Education, Roger LeRoy Miller, 2002-07 **Practice Teaching** Association for Childhood Education. Committee on teacher-training, 1930 **Teaching Elementary Social Studies** James A. DuPlass, 2008 Written for the elementary social studies methods course this interactive program combines features of a textbook and a workbook with thorough integration between the print text and a dynamic web site Increasingly majors in elementary education if not the population at large are more attuned to reading interactive material with relatively brief narrative bulleted items text boxes and targeted messages like web pages rather than traditional denser text To accommodate these preferences the layout of the print text features a larger than usual font an 8 x 11 trim size and spiral binding and the content includes an abundance of bulleted lists shaded text boxes and contemporary graphics The program s interactive approach and flexibility allow the professor to model the kinds of teaching principles and practices that students will want to use in their own

elementary school classrooms These principles and practices are integrated throughout the text and include a focus on active learning strategies application of constructivist principles focus on Big Ideas and thinking skills use of the Internet and modeling of Best Practices and Performance based assessments based on INTASC and NCATE standard Thus the book will serve as a springboard for classroom activities web site explorations and or instructor led activities *Michigan Education Journal* ,1925 Includes section Moderaor topics *The University of Virginia Record* University of Virginia,1916 **School of Religion** University of Southern California.
