**The Return of Christ** Robin Corner, 2022-02-03 At the time of writing covid 19 is raging around the world and fears of global warming war economic collapse and famine are widespread But is it possible that these things are signs of the long awaited return of Jesus Christ as prophesied in the Bible For the first time in history the Christian Gospel is being taught in every nation on earth Large numbers of people are becoming Christians in India China other parts of Asia Africa and South America even as in traditionally Christian countries many are leaving the church And if Christ returns as promised what will that look like What will be happening on earth Robin was aware of many theories so decided to research the issue himself initially just by reading what the Bible has to say on it In this book he looks at beliefs held over the centuries He examines the scriptures and draws some surprising answers from many often overlooked simple passages If you

are new to this topic you will find the book fascinating And if you have studied it for years be prepared to be surprised and challenged

**The Jesus Survey** Mike Nappa,2012-04-01 Who do Christian teens say Jesus is and what does he mean in their lives The answers might surprise you In The Jesus Survey Mike Nappa shares the groundbreaking results of a nationwide survey of Christian teenagers from sixteen different denominations He shares his discoveries of how core beliefs about Jesus and the Holy Spirit prayer evangelism and more influence the way a teen actually experiences God personally and offers ideas for helping teens overcome faulty perceptions Pastors youth pastors parents and educators will find in The Jesus Survey both an enlightening and invaluable tool for understanding the faith of teens around them and a guide for helping teens nurture an authentic satisfying and vibrant relationship with Christ

Christianity in Crisis Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas

A House Divided Geoffrey W. Sutton,2016-03-29 A House Divided helps answer the question how do Christians form moral judgments about sex linked issues After analyzing key differences between conservative and progressive Christians on such divisive issues as abortion sex education and same sex marriage readers will learn how a combination of four factors can lead to principled Christian morality First a review of diverse interpretive comments on relevant Scriptures can help identify a foundation for agreement as well as sharpen differences Second a review of psychological factors can help identify prejudices personality traits and powerful emotions that intensify and color public debate Third new research on moral psychology will add six dimensions of analysis to appreciating the reasons conservatives and progressives draw upon when forming moral judgments And finally knowledge about sexual attraction sexual orientation conception and sexual
