Twenty seven years have now elapsed since Mr Adams returned from Europe after the Geneva arbitration of 1872 in which he rendered his last considerable public service and it lacks a few days only of thirteen years since his death No use whatever has hitherto been made of his papers Though neither in bulk nor in interest equal to the accumulations left by John Adams or by John Quincy Adams these have none the less a distinct value shedding as they do much contemporaneous light on a period and a struggle which not improbably will hereafter be accounted the most momentous in American history Mr Adams was not an active letter writer or systematic collector of material but he preserved all his correspondence together with copies of his own letters and for over fifty years from the time he entered Harvard he kept a diary in which there is scarcely a break The time has now come when this material may fairly be used About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

CONSERVATISM AND REFORM CHARLES FRANCIS ADAMS (JR.), 2022 *Charles Francis Adams* Charles Francis Adams, 1900 **A Milestone Planted** Charles Francis Adams, 2016-11-03 Excerpt from *A Milestone Planted* Address of Charles Francis Adams at Lincoln Massachusetts April 23 1904 on the One Hundred and Fiftieth Anniversary of the Incorporation of the Town He I admit would be over bold who standing in this year 1904 on the threshold of a century should undertake to forecast the form of expression to which the century will in its full maturity addict itself but I do not think it will be platform oratory That was characteristic of the nineteenth century as pulpit deliverance was characteristic of the eighteenth and speaking frankly as well as honestly

though not without study of both I do not know which of the two modes of expression taken as wholes was the drearier and the emptier The theological literature of the eighteenth century is vast and in largest part devoid both of interest and value but on the other hand retrospect reveals a shallowness and affectation of thought combined with a tinsel of rhetoric about the platform oratory of the nineteenth century which goes far in a comparative way to a rehabilitation of what went before About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Edwards Lester, 2016-08-26 Excerpt from America s Advancement We were lamenting the absence of learning and culture so conspicuous in public life during the last thirty or forty years In this respect we compare unfavorably with many of the European States There has not been a cabinet in England or on the Continent for fifty years which did not embrace some of the most eminent men of learning and culture and for the most part their representatives to foreign nations have belonged to the same class No matter what party comes into power or what revolution may sweep by these facts still hold true It certainly will not be pleaded in extenuation of our besotted is any lack of learning talent or culture in this country but the standard of qualifications for high public offices has been degraded among us in our immediate times and the whole country having felt the curse w ill be likely hereafter to do something to remedy it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Books in Print Supplement** , 2002 The Golden Age of the Classics in America Carl J. his usual recklessness as to facts he confounded two events which occurred at different dates He says The New English Canaan p In the Moneth of Iune Anno Salutis 1622 It was my chaunce to arrive in the parts of New England with 30 Servants and provision of all sorts fit for a plantation Here are two facts distinctly stated one as to the date of his arrival exactly coinciding with that of the Weston company the other as to the number of servants etc answering to the description of Wollaston s company Morton I think therefore came out with Weston s company and left Wessagusset in March 1623 with them he then more than two years later returned there with Wollaston probably acting as his guide When seven years later he printed his book desiring to make his American experience date as far back as possible he simply confused his two arrivals and quietly ignored his connection with the Weston company which had left a very unsavory reputation behind it as being made up of the refuse of mankind About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
