

## Investing Simplified: A Guide for Everyone

An all-inclusive resource for turning on your investment goals — whatever they may be!

### 1. Getting Started

#### Step 1: Plan out your investment goals + budget

It's important to know the percentage figures, timeline and purpose. Most of you experienced money makers will have an idea of what you want to accomplish. You can start with what you budget and timelines are for investing the money and you planning on purchasing your first home in 5 years, saving for your retirement (50), or just want to see how much your money can grow at?

#### Step 2: Start the process by filling out the table

Fill in all the info of the table based on your portfolio of individual investments. Consider your personal budget, the purpose which will be used to serve your life goals and overall strength of your investment, and acceptable funds you should be paying with. The savings from the safety of government bonds, securities of 17%, and more. You can add or add a new row + in the table to fit the set, and the options that need to be filled in are colored in grey. Press the **Submit** in the suggested column to see how to
