Emerging Literacy ,1998 Defining literacy development as a continuous process that has its roots in the home this training guide is intended to enhance the skills of Head Start staff in collaborating with families to support the development of children's language skills The guide also

describes the emerging literacy for children from birth through the preschool years. Following an introductory section the guide presents four training modules. Each module details expected outcomes, key concepts, background information, learning activities and next steps. Handouts are included for each module. Module One Emerging Literacy Supporting a Natural Process provides an overview of emerging literacy. Module Two From Cooing to Talking Partners in Conversation enhances staff ability to listen and respond to children, engage them and encourage their use of listening and speaking skills. Module Three The Magic World of Reading Opening Doors for Children helps staff improve their skills in enhancing children's enjoyment and understanding of books. Module Four Setting the Stage for Literacy Explorations allows staff to create literacy rich environments in Head Start settings and promote literacy exploration through the environment and activities related to children's interests. The final sections of the guide include a continuing professional development section which suggests activities to enhance skills developed through this guide and a resource section which offers more information concerning topics covered in the guide.
