Whether you're an executive, department head or IT manager, *The New IT* provides an action-ready blueprint for building and strengthening the role of IT in your company and prescribing IT's future. Learn how to ASSESS your current and future IT profile, ALIGN your IT organization with business priorities, MAP technology delivery plans according to business priorities, ORGANIZE IT according to your company's culture and strengths, REDEFINE innovation and talent management practices, BUILD a stronger and enduring role for IT as a business partner. By using field-tested techniques to align your IT department with your corporate objectives, you can leverage the power of technology across the entire company. *The New IT* provides a set of tactical and experienced-based frameworks to help you and your colleagues conceive a new roadmap.
