

The background of the cover is a photograph of a person standing on the peak of a rocky mountain. The person is seen from behind, wearing a light blue shirt and dark pants, and holding a briefcase. They are looking out over a vast, hazy landscape under a bright, low sun, creating a warm, golden glow. The sky transitions from a deep blue at the top to a lighter, hazy blue near the horizon.

The Harvard Business Review Leader's Handbook Ron Ashkenas, Brook

Manville, 2018-10-16. The one primer you need to develop your leadership skills. Put aside all the overhyped new frameworks, the listicles, the 10 best things you need to succeed as a leader today. The critical leadership practices, the ones that will allow a leader to make the biggest impact over time, are well established. They're about how you create a vision and inspire others to follow it. How you make difficult strategic choices. How you lead innovation. How you get results. These fundamental skills are even more important today as organizations and teams become increasingly networked, virtual, agile, fast moving and socially conscious. In this comprehensive handbook, strategy and change experts Ron Ashkenas and Brook Manville distill proven ideas and frameworks about leadership from Harvard Business Review interviews with senior executives and their own experience in the field, all to help rising leaders stand out and have a big impact. In the HBR Leader's Handbook, you'll find concise explanations of proven leadership frameworks from Harvard Business Review contributors such as Clayton M. Christensen and Michael E. Porter. In depth case studies of senior leaders such as Jim Wolfensohn at the World Bank, Paula Kerger at PBS, Darren Walker at the Ford Foundation and Jim Smith at Thomson Reuters. Step by step guidance to help you understand and start implementing six core leadership practices: building a unifying vision, developing a strategy, getting great people on board, focusing on results, innovating for the future and leading yourself.

[The Character of a Leader](#)

Donald Alexander, 2014-01-03. Former CIA Director George Tenet calls Donald Alexander a legendary American intelligence officer, a man of enormous competence, grace and courage. His humility will never allow most to ever know what his service has meant to the Central Intelligence Agency or our country. Now he has given all of us a timeless gift, a book on leadership based on decades of experience, research and reflection. He demystifies a subject many have written about with clear and direct language. His emphasis on old-fashioned values and selfless, compassionate service should be mandatory reading for anyone entrusted with the care and development of young men and women, whether in government or a Silicon Valley start-up. This is a book that will challenge and inspire you to make a difference every day of your life. True leadership requires strength of character and integrity at whatever level you lead. This author brings a unique perspective to these leadership

issues Donald Alexander is the pen name of a senior executive officer in the US Intelligence Community During a career spanning more than four decades he has served multiple tours overseas in operational positions commanding major elements both in the field and at Headquarters experiences that spawned many of the ideas and principles set out in this book Chief among these is the belief that leaders who conduct themselves with honor and to the highest standards of integrity are vital to America s business success national security and social well being The Character of a Leader is an invaluable handbook for the young leader and at the same time an insightful resource for established executives and managers **On the**
