**Blank Space** W. David Marx, 2025-11-18 A New York Times Book Review Editors Choice A Washington Post Notable Nonfiction Book of 2025 A People Best Book of November 2025 An NPR Most Anticipated Book of Fall 2025 A revealing exploration of a quarter century of cultural stagnation examining the commercial and technological forces that have come to dominate contemporary culture from music and fashion to art film TV and beyond Over the past twenty five years pop culture has suffered from a perplexing lack of reinvention We ve entered a cultural blank space an era when reboots rehashes and fads flourish while bold artistic experimentation struggles to gain recognition Why is risk no longer rewarded and how did playing it safe become the formula for success Acclaimed cultural historian W David Marx sets out to uncover the answers In this ambitious cultural history Marx guides us through the blur of the twenty first century so far from the Obama era to the rise of K pop from Paris Hilton to the Marvel cinematic universe from Beyonc and Taylor Swift to Beyonc and Taylor Swift whose enduring influence highlights both their adaptability and the broader shifts in pop culture Combining sociological economic and political insights with a deep dive into art street culture fashion and technology Blank Space dissects the rise of profit driven formulaic trends and the shifting cultural norms that often prioritize going viral over innovation He reveals how backlash against indie snobbery and nineties counterculture gave rise to a counter counterculture one marked by antiliberal sentiment the celebration of business heroes and the increasing influence of industry plants and the elite class In a world of crypto bros nepo babies and AI driven art Marx offers readers a much needed dose of clarity and context Vibrantly narrated and sharply argued Blank Space is an essential guide for anyone looking to understand the chaos of the twenty first century the trends tastemakers and icons who shaped it and how we might push our culture forward over the next quarter century through renewed emphasis on creativity community and the values that transcend mere profit

## **Make / Believe**

John Hartley, 2025-01-23 This book illustrates that mediated popular culture and science based knowledge systems entangled and compromised as both have become are still a robust crucible for system change for the future when they combine forces Planetary crises require responses from everyone This means that collective action is not simply a scientific or political problem It is a problem of culture and media But modern politics journalism and science were not designed for global climate action They ve divided humans into competitive and often hostile we and they groups Identity news and knowledge are all weaponized Culture makes groups groups make knowledge and knowledge makes enemies What can be done to prevent global conflict and the drift to war Make Believe turns to popular culture and social media to argue for an alternative storyline While the Great Powers are making new enemies emergent classes led by children are using planetary connectivity to make new worlds A digital planet generates new kinds of strategic stories for pan human action based on difference intersectionality and cooperation for a sustainable Earth system Make Believe shows how alternatives to the Great Game of global contestation are gathering strength in unlikely places among women children lifestyle and pop culture Popular digital

media literacy is now a prerequisite for the remediation of the planet     *Dance With Me* Imani Price,2023-08-11 Step One Learn to dance Step Two Don t fall in love Nevaeh has always danced her way through life metaphorically speaking Her zest for life is infectious and she is known for being the life of the party and for her two left feet She has no sense of rhythm and jests that when she s dancing people think she s having a seizure When her best friend gets engaged she couldn t be more thrilled that is until she finds out there s a stipulation to being the maid of honor Nevaeh must learn how to dance As if that isn t bad enough her dance instructor is sinfully handsome And completely off limits Sean s life is what you might call complicated which is one of the many reasons he loves dancing The rhythm The control You know the steps you lead or you follow It s a simple escape from his world of order That is until a beautiful bundle of chaos comes stumbling through his studio doors He never expected to feel such a spark with a student Nevaeh is everything he could ever want and more but as a single parent his life isn t just his own Still with every lesson she twirls herself a little further into his life and his heart The time for dancing around his feelings is over If you like sassy fun loving romances with single dads strong friendships and relatable heroines you ll love *Dance With Me* This is a sweet romance standalone taking place in the small town of Sweetgum Meadows Scroll up and grab your copy now

**The Meaning of Myth in Uncertain Times** Evelien Bracke,2025-12-29

This book examines how ancient mythology forms part of the stories we tell ourselves about today s uncertain times not only in popular culture but also in sociocultural and political debates It particularly explores the ways in which classical myths shape how our modern secular societies think about the interconnected geopolitical technological and ecological issues we are facing and our potential futures Classical myths like those of Achilles Medea and Odysseus are everywhere from films and novels to social media and games But how and why are we still fascinated with them particularly now Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today This expanded English edition of Evelien Bracke s award winning Dutch book *Leidraad door het labyrint* explores how and why Greek and Roman myths despite their ancient origins are surprisingly meaningful in these times of uncertainty Bracke offers a contextualization and literary analysis of classical mythology looking at both texts and visual media This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century *The Meaning of Myth in Uncertain Times* is suitable for students scholars teachers and general readers interested in mythology and ancient Greek and Roman history and culture providing insights that are relevant to the challenges we all face today
