place for you to note that fact so that when you read over your final draft you can see if you achieved your particular character development goal for that character A Character Worksheet is also a great help if you get stuck on one character who doesn't quite seem real Maybe he needs a new characteristic a hidden trauma a fabulous skill or a deadly secret something that will make the character come alive for you How detailed you want your character worksheets to be just depends on what works best for you We provide 8 pages for each character including extra space for Images and Additional Information [Character Creation Journal Notebook for Writers](#) Creativjournals,2019-11-28 Creating three dimensional characters in your writing is arguably even more important than an exciting plot This 6x9 workbook will not only help you capture observations of interesting people you encounter every day It also poses questions to help you define lead and secondary characters for your next project Additionally I've provided plenty of space to use exploratory writing to put your new characters to the test Buy this high quality workbook journal for character creation today **Character Development Sheets** David Marlowe,2021-12-09 Each six page Character Profile offers a comprehensive range of traits and values in order to make character generation a simpler process As well as standard entries like name nickname occupation and back story there are also sections for age height weight build ethnicity gender and pronouns You can also include details about your character's eyes and hair or if they have any scars or tattoos The Character History section allows you to enter a range of things including their hometown other places lived and even if they had a happy childhood There is a full page dedicated to parents siblings spouses children and friends as well as space to list your character's motivations goals hobbies phobias inspirations and more Need to list your character's likes and dislikes There's a section for that too There's even room for you to indicate their general health whether they drink smoke or take drugs as well as an area to allow you to add more detail Finally there are over 90 quick check Personality Traits along with spaces to add your own and two full notes pages for you to add anything else you may wish to record about your amazing characters These Character Development Sheets are a perfect Christmas or birthday gift for Authors Writers Screenwriters Playwrights Worldbuilders Role Playing Games Masters This children themed notebook contains 20 full six page profiles [Character Profile for Fiction Writing](#) Cheryl Shireman,2011-03-02 At the heart of every novel is a captivating and unforgettable character Such a character jumps from the pages of the novel and right into the reader's heart Create your own memorable characters by using this workbook Every character has a story This tool will help you to discover that story and add rich detail to your writing Delve into the minds of your characters with these thought provoking questions and watch as the plot of your novel is enriched and sub plots begin to emerge Don't be satisfied with merely creating a character Bring yours to life The Character Profile for Fiction Writing is a workbook full of questions about your fictional character It allows the writer to step into the role of the character and answer questions such as If your house caught on fire and you could carry out one item what would it be As a child what games did you like to play What is your favorite way to spend Sunday morning If you could live your life over what event would you
