The A to Z of Fantasy Literature Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction

explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites Unbound Michael R. Miller,2021-12-30

Sometimes the world needs a little chaos Holt and Ash saved the kingdom of Feorlen against all odds Now they are outcasts alone on an impossible quest to unite the Elder Dragons But they are children playing in a game of Dragon Lords Trapped between the riders servants of Sovereign and the scourge even their luck cannot last forever Their only hope is to advance their bond by any means necessary In Feorlen Talia faces a world unaccepting of a rider queen Her councilors will not heed her warnings of Sovereign Foreign powers threaten war and bloodshed Pleas sent to rider headquarters fall on deaf ears All the while Sovereign regathers his strength in an ancient fortress Enthralled cultists swell his ranks Disillusioned riders flock to his cause And his unwilling servant Osric Agravain scours the land for dragon eggs There are new types of magic to be discovered and Sovereign intends to control them all Only the mysterious half dragon Rake has a plan to stop Sovereign To pull it off he s going to need a team Unbound continues this award winning and best selling dragon rider epic fantasy readers are comparing to Eragon Pern and other beloved classics **Crossover Fiction** Sandra L.
