Learning but Better! Digital Education instead of Memory Training Simone Janson,2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because our education system urgently needs to be rethought In the rapid digital transformation it is increasingly reaching its limits and not only because of its outdated technical equipment Knowledge is still imparted

primarily via frontal instruction interactive communication methods and techniques are hardly taken into account Digital learning also known as blended learning requires a special degree of personal responsibility with the need to organize and motivate oneself completely independently Anyone who wants to learn effectively online should also know how our brain works in conjunction with digital tools and what to look out for in virtual learning This book therefore shows how we can use digital tools in a targeted manner to absorb the necessary information and thus increase knowledge in the long term and how our education system would have to be changed accordingly Good luck and have fun reading Knowledge that makes a difference independently documented by its own Wikipedia entry With its information on demand concept the publishing house has been successful for over 20 years and has received numerous awards So when you buy the book you are also doing good The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns scholarship foundations sustainable living and many other innovative ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported research results to a limited extent to make information easier to find which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freeky available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That s why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher journalist and editor Simone Janson is also a best selling author was a columnist for WELT and Wirtschaftswoche and according to ZEIT one of Germany s most bloggers on success

The Time for Winners - Mindfulness, no Struggle Simone Janson, 2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because achieving your own goals is not always easy in hectic everyday life Intrinsic motivation helps to put one s own focus on what is really important and essential and to face resistance in a resilient manner When it comes to working efficiently and productively

and putting plans into action even if unforeseen events get in the way of the plan it is important to evaluate new unforeseen situations as objectively and without fear as possible and to learn what can be done better for the future This is where good time management mindfulness and resilience help to overcome difficulties without fear and to achieve personal success This book shows how to do that Knowledge that makes a difference independently documented by its own Wikipedia entry With its information on demand concept the publishing house has been successful for over 20 years and has received numerous awards So when you buy the book you are also doing good The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns scholarship foundations sustainable living and many other innovative ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported research results to a limited extent to make information easier to find which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services free of charge available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher journalist and editor Simone Janson is also a best selling author was a columnist for WELT and Wirtschaftswoche and according to ZEIT one of Germany's most bloggers on success

Emotional Intelligence Jessica Greiner, 2018-06-30 Would you be interested in a skill that helps you know what other people are thinking and feeling even if they aren't really sure of it themselves The fact is that the people who tend to be the most successful in life aren't those who are the strongest or the smartest But they are the ones who can use their natural charisma to manipulate interpersonal relationships while at the same time reliably keeping their emotions in check so they are free to make the most profitable choices in any given situation The secret to these people's success is what is known as emotional intelligence and if you haven't heard of it yet rest assured that is going to change sooner than later as it is one of the most prized traits that many employers are looking for in their employees these days If you are looking for ways to ensure you keep up with the modern job market then Emotional Intelligence A Step by Step Guide to Improving Your EQ Controlling Your Emotions and Understanding Your Relationships is the book you have been waiting for Grab your copy today and learn
