Bonded Kate A Fox, 2021-06-25 I've been pulled from the only home I've ever known. I've been called the Queen of Freaks. I've been attacked and killed. Yes I know how that sounds. I've been forced into hiding, captured and imprisoned but by far the worst thing is that tops all that is being told that I have to fight the sister I didn't know I had. I know what you're thinking. Siblings fight all the time right? Well not like this. When you find out you are a magical twin all the normal family rules fly out of the window. One of us won't make it out alive. Meanwhile my sister has been training for this day all her life while I just found out a couple of weeks ago that I have a twin and we're meant to kill each other. But Celestria doesn't plan to make things easy on me and my father is on her side. With my family and friends risking their lives to save me I only have a few days to train and learn everything I can to survive. Wish me luck. **Third Generation Witch** Kristen S.

Walker, 2021-07-31 A teen girl fears her family's reputation will label her for life. Her mother wants her to follow in her footsteps and learn witchcraft. Can she become a witch on her own terms? Brie knows two things about the witches in her family. Her grandmother almost destroyed their hometown with magic. Her mother saved it. But the upheaval from their fight has caused problems for twenty years. Now witchcraft is subjected to strict laws and everyone knows the McAddams family is to blame. When Brie is old enough to study witchcraft under the new laws her mother Rosa assumes that she'll attend the school where she teaches. But everyone would put Brie under a microscope to see if she'll turn out to be a hero like her mother or a villain like her grandmother. She wants to hide in anonymity. Then her second mother suggests that she try a different school one where people won't know her family name. Brie would have to be accepted under her own merit. The MATs Magical Aptitude Tests will score her ability to learn magic. But if she succeeds Brie might find a more welcoming home at Santa Cruz Witch Academy. She just has to pass the entrance exams. *Third Generation Witch* is a prequel to the upper YA urban fantasy academy trilogy *Santa Cruz Witch Academy*. The series takes place twenty years after the *Fae of Calaveras* trilogy but does not require prior reading. If you like teen witches, magical schools and queer families you'll enjoy Kristen S. Walker's story about the struggle to be accepted. Preorder today. Rated PG 13 for mild profanity and sexual references.
