Scott Causey, 2015-10-09 By the year 2126 CEO Carlton Ferguson and his immensely powerful corporation have already introduced the world to Reflection Technology a means to view any event that has happened in a previous forty eight hour window Effectively ridding the world of crime the technology is far too valuable for society to abandon but too dangerous for one person to control Still Carlton is determined that he and he alone should hold the key to this Pandora's box and finds himself in a battle to keep what is his Further he is secretly deep within the process of enhancing the technology to go far beyond a mere two day limit and does not intend to stop until he can witness the very beginning of time itself Governments covet the technology while world faiths fear it will unmask the very gods to whom they pray Though their goals may be mutually exclusive religious and political opponents conspire to force Carlton into revealing his secrets With few available options Carlton agrees to a tenuous partnership with the United States government but quickly learns that his innate reluctance to freely offer his trust is justified **Unknown: (a Dystopian Survival Fiction Book Series)** Melina Grace, 2019-02-21 Hiding in a freezing mountaintop cave Sample is still confused as to how she got there and more importantly why she's there instead of in Hollowcrest or The City making sure her family are safe and not in danger of yet another attack by Clone Industries soldiers She'd already be heading back but the soldier with her is adamant they shouldn't and Sample can't find it within her to leave him She will convince him though Sample has had enough of fleeing She fears for Drimmy Ollie and Finn as well as her friends left behind in The City She is determined to return and rescue them But what can she do when her enemies have so much power and she has nothing but the ability to heal The twists turns dangers and changing relationships in this action packed dystopian series will keep you enthralled The Hinterland Journal A great female lead in a post apocalyptic earth With adventures escape and genetic engineering this is the best dystopian series out Sarah

GeeSet in a remote future with a touch of science fiction great characters compelling relationships and a killer plot this young adult fiction trilogy blew me away Bronwyn WoolleyA tense moving and gripping novel This fast paced dystopian series weaves together clones dilapidated and futuristic cities a kick ass protagonist and a hint of romance this book is unforgettable Mal SmithMelina Grace has written one of the most riveting novels on the market Valerie MedhurstAustralian born Melina Grace has travelled many worlds in her love of unique characters who ve been thrust into action adventures She brings her obsession with intriguing relationships and threatennd worlds into her own writing When The Sleeper Wakes (A Dystopian Science Fiction Classic) H. G. Wells,2023-12-04 H G Wells s When The Sleeper Wakes presents a dystopian narrative that delves into the perils of unchecked technological advancement and societal evolution Written in 1899 this prophetic tale illustrates the consequences of a future where class disparity is magnified and individual agency is severely compromised With a blend of rich descriptive prose and incisive social commentary Wells employs vivid imagery to create an unsettling world that mirrors contemporary anxieties about progress and moral decay The novel stands out in the genre of early science fiction echoing themes found in other works of the time while foreshadowing the complexities of modern life H G Wells often referred to as the father of science fiction was profoundly influenced by the dramatic changes of the late Victorian era including industrialization and emerging social movements His fascination with science and human evolution informed his writing as he sought to explore the potential outcomes of contemporary innovations Wells s unique ability to blend imaginative storytelling with critical social analysis rendered him a leading voice in speculative fiction providing readers with not only entertainment but also thought provoking explorations of humanity s future For readers who crave an early glimpse into the dystopian narratives that continue to resonate today When The Sleeper Wakes is an essential read This novel prompts reflections on personal freedom technological control and societal structures making it relevant for anyone interested in the ethical implications of modern advancements Engaging and prophetic Wells s work remains a cornerstone of speculative literature that will surely ignite discussions on the trajectory of human innovation Science Fiction and Fantasy Book Review Neil Barron,R. Reginald,2009-11-01 Science Fiction Fantasy Book Review was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time This was the golden era of SF publishing with a thousand titles old and new hitting the stands and the bookshelves each and every year From the older classics to the newest speculative fiction this was the period when the best and the brightest shined forth their talents SF FBR included reviews by writers in the field by amateur critics and by litterateurs and University professors Over a thousand books were covered during the single year of publication many of them having been reviewed no where else before or since The January 1980 issue includes a comprehensive index of all the works featured during the preceding year This reprint will be a welcome addition to the literature of science fiction and fantasy criticism Neil Barron is a retired bibliographer and literary critic editor of the acclaimed Anatomy of Wonder series Robert Reginald was the publisher for

twenty five years of Borgo Press and has authored over 110 books of his own **Chosen** A. Bernette,2016-06-21 Chosen is the first book of the Chosen Series which takes place in the year 2165 Seeds planted in the past of corporate greed and greed and government corruption have grown and now allow those who've held power money and control for millennia to leverage that power to save only themselves at any cost While compelled by their interests pollution driven into the earth puts the planet at risk for deadly disasters that threaten to tear it apart and threaten the stability of an ordered system Hope for the future rests with a group of diverse teens genetically engineered before birth and chosen from around the world to save earth and its people In Chosen our heroes and those they trust are forced to choose between their legal duties to those in power and their moral obligation to the earth and people who need them For More Information visit www.Bernette.net
