## Self Help Mindset Hardcover:

**Legacy Mindset** Korey Shaffer, 2024-10-15 We're all broken in some way but broken is not forever. In fact it's just part of the story of how we build our legacies. Entrepreneur and US Marine Korey Shaffer's road through life was tougher than most. After returning from a harrowing tour of duty in Afghanistan and still aching from his troubled childhood and adolescence, Shaffer felt his chance to leave something of value to the world might have passed. But even in despair he knew that many did not return home at all or returned more broken than he was. Determined that the wounded and fallen not be abandoned or forgotten, Shaffer founded the Til Valhalla Project, an organization devoted to honoring the fallen and preventing veteran suicides. Til Valhalla unexpectedly proved to be Shaffer's salvation as well. Sharing intimate details from his square peg childhood, reckless adolescence, brotherhood seeking teen years and traumatic experiences in combat and back home, Shaffer demonstrates that society doesn't dictate who we are or will be; that is up to us. The path to who we can become lies through careful daily exercise of will repetition and affirmation. Shaffer is convinced that the discipline he drew from this struggle can be of use to others. What it takes to overcome the broken state Shaffer contends is a willingness to face pain head on and use adversity as rocket fuel to regain purpose and create resilience. In *Legacy Mindset: Take Charge of Today and Build Extreme Resilience*, Shaffer lays out the sinews and bones of the daily discipline that allowed him to repair what was broken and build upon it. He challenges us to Evaluate whether our pain is constructive or destructive. Reassess what things in life we assign value to. Radically change our daily habits by practicing micro disciplines. Trust our intuition when it is telling us to speak up. Commit to excellence in everything we do even when no one is watching.
