*Small Business Marketing Strategies All-in-One For Dummies*, 2016-05-23 Transform your small business into a revenue generating machine with this step by step marketing resource. Running a small business is a fun and rewarding experience. It's even more fun and rewarding when clients and customers are clamoring to get a hand on your latest product or service. And effective marketing is the key to making that happen. In *Small Business Marketing Strategies All in One For Dummies* small business experts from the United States Chamber of Commerce walk you through every single step of designing, launching, running, measuring, and improving your company's next marketing campaign. But don't worry with *Dummies* it's all about learning made easy. You'll discover techniques that work in any kind of small business from full time trades to brick and mortar shops and online side hustles. Starting at the beginning of the marketing process you'll move on to learn how to blend different marketing methods such as content, social, search, and traditional to generate massive customer interest. In this book you will pour the foundation of your marketing strategy by defining your ideal customers, sizing up your market and setting your goals. Kick off a successful campaign the right way by picking the best software, platforms, and techniques to power your marketing. Combine content marketing, social media, and traditional strategies to generate the perfect marketing and advertising mix. Evolve past gut instincts and measure your results with hard data and reliable metrics. Moving beyond individual strategies and techniques, *Small Business Marketing Strategies All in One For Dummies* shows you how to blend every tool at your disposal into one effective marketing strategy. It's a must read for any small business owner trying to grow their company.

*Content Marketing For Dummies* Susan Gunelius, 2011-05-12 Get the whole picture and learn to create a successful online content marketing program. Successful online marketing is about more than creating a Facebook page or writing a corporate blog. Brands need to build lasting connections with the right customers online through an effective online content marketing strategy and this book shows you how. It explores ways to create a content marketing strategy, identify the content that will keep your customers coming back, create that content, distribute it online, and measure the results with hands-on step by step guidance. Content marketing is an essential element of successful online marketing and brand building. This book shows you how to begin creating and distributing content online to market your business. Explains why content marketing is important and how to create an online content marketing strategy, which tools to use and what to avoid. Shows how to create content and get it published online in long or short form. Offers plenty of tips, case studies, and worksheets to ensure success. Online content marketing positions your business and your product for lasting customer interaction. *Content Marketing For Dummies* gives you the tools to create a program that works.
