who get caught in its path but it's very good for business in the short term and the Five Hundred own the shipyards that  
build the Navy's ships They own virtually all the industry that produces the weapons and material the war consumes so

out of compliance There are the lunatic conspiracy nuts who insist that the alien Rishathan Sphere is secretly aiding the  
League's military but the Five Hundred have forced them to keep their mouths shut where it matters And then there's  
Terrence Murphy a man of honor who loves the Federation who springs from the Five Hundred yet knows it for what it is and
