Sarra Cannon HeartBreathings Author Coach *Dismissed* Todd McMurtry, 2024-06-08

We're told Justice should be blind. We've been taught that The Truth will set you free. But is that the world in which we find ourselves? Cancel culture biased narratives mainstream media and giant corporations these are the mindsets and special interests that have ferociously aligned in a force that silences and punishes the common citizen. Historically the Justice System has been the entity to stand in the gap to ensure citizens aren't overpowered. But is that still the case? Through the lens of defamation law, *Dismissed* serves as an examination of how the justice system has been taken over by political maneuvering and American citizens are suffering. The book delves into high profile defamation cases revealing how the rich and powerful use litigation to stifle dissent and control public perception. The impact of social media on modern defamation law cannot be overstated. As platforms like Twitter, Facebook, and Instagram become battlegrounds for public opinion the lines between personal expression and legal liability blur. *Dismissed* explores how online reputations are made and destroyed in an instant and how the courts are struggling to keep up with the pace of digital communication. The book provides a critical look at the role of tech giants in moderating content and their influence on the legal landscape. Furthermore, *Dismissed* addresses the growing concern of judicial bias and the politicization of the bench. Through meticulous research and compelling narratives the book argues that partisan interests and campaign contributions are compromising the integrity of the judiciary. Readers will gain insight into the ways judges are appointed and the impact of their rulings on the fabric of American democracy. This book is a

call to action for legal reform and the protection of individual rights At its core Dismissed is a powerful commentary on the state of justice in America It challenges readers to question the status quo and to advocate for a legal system that truly serves the people By shining a light on the misuse of defamation law the book aims to inspire change and restore faith in the principle that justice should be impartial and accessible to all Todd V McMurtry is an accomplished trial attorney and skilled mediator committed to professional excellence His involvement in nationally recognized defamation cases and his expertise as a mediator for commercial disputes have cemented his reputation as a leading legal authority frequently collaborating with local counsel nationwide He has represented prominent public figures in defamation actions secured retractions for high profile clients and achieved significant victories in arbitration and jury trials His notable successes include defending a national bank against complex allegations managing multi million dollar failures of insurance funds and winning a medical malpractice jury trial **Consumer Activism** Eleftheria J. Lekakis,2022-08-27 A crucial intervention to both critical studies of consumption and research into activism It authoritatively explores the complex and multiplying links between branding and neoliberal culture consumer practices and social justice Professor Mehita Iqani Stellenbosch University Eleftheria Lekakis reminds us that as consumers we can do much more than just buy our way out of social or political problems Professor Melissa Aronczyk Rutgers University Consumption and resistance are entwined From buying fair trade to celebrity advocates for social causes to subvertising and anti consumerist grassroots movements consumer activism is now a key part of our fight for social and environmental justice This book is a comprehensive exploration of the complexities and dilemmas of using the marketplace as an arena for politics It goes beyond simply buying or boycotting to critically explore how individuals collectives corporations and governments do politics with and through consumption Impassioned and always accessible Eleftheria Lekakis explores The media and economic logics which privilege elite activists The real opportunities to resist and redirect promotional culture Consumer activism as collective and community building The politicisation of celebrity influencers The centrality of digital media technology A range of transnational case studies pushing the field beyond the Global North Consumer Activism Promotional Culture and Resistance covers the full breadth of theory and practice you need to know It is an essential resource for understanding researching and engaging with the global phenomenon of consumer activism Dr Eleftheria Lekakis is senior lecturer in Media and Communications at the School of Media Arts and Humanities at the University of Sussex **Dance in US Popular Culture** Jennifer Atkins,2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such

expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body's sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BFA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license
