**American Illustration** ,2007 **Arkansas Review** ,2016 **Jewish Book World** ,2008 **Hexed** Michael Alan Nelson,2015 The first novel based on the Hexed comic Page 4 of cover **A Colorful History of Popular Delusions** Robert E. Bartholomew,Peter Hassall,2015 This eclectic history of unusual crowd behavior describes a rich assortment of mass phenomena ranging from the amusing and quirky to the shocking and deplorable What do fads crazes manias urban legends moral panics riots stampedes and other mass expressions of emotion have in common By creating a typology of such behavior past and present the authors show how common extraordinary group reactions to fear or excitement are And they offer insights into how these sometimes dangerous mob responses can be avoided We may not be surprised to read about the peculiarities of the European Middle Ages when superstition was commonplace like the meowing nuns of France tarantism a dancing mania in Italy or the malicious anti Semitic poison well scares But similar phenomena show up in our own era

Examples include the social networking hysteria of 2012 which resulted in uncontrollable twitching by teenage girls in Leroy NY the phantom bus terrorist of 2004 in Vancouver Canada and the itching outbreak of 2000 in South Africa Vivid detailed and thoroughly researched this is a fascinating overview of collective human behavior in its many unusual forms **British Humanities Index** ,2008 *Taking on Diversity* Rupert W. Nacoste,2015-04-14 In this enlightening book a campus diversity doctor relates stories that individuals have shared with him about their anxieties in situations involving people who are in some way different than themselves Dr Rupert W Nacoste regularly counsels students at North Carolina State University about their problems dealing with diversity of all kinds including of gender race ethnicity and sexual orientation Here he shares his most effective techniques for handling the unavoidable realities of being in a neo diverse community whether that means in college or America as a nation The author's proven safe space strategy can be applied to the campus community groups churches and workplaces as a means to facilitate positive dialogue about diversity In this time of current tensions students or young travelers as Nacoste fondly refers to them still have much work ahead of them to achieve mutual respect and understanding From everyday encounters parties and email and social media exchanges they provide examples of ongoing bigotry racial slurs and stereotypes are still used young men continue to project demeaning attitudes toward women and the heterosexual majority sometimes shows little understanding of the LBGT minority Dr Nacoste considers it his role to usher students off the Wrong Line train and he has noticed that as they leave the station adults begin to follow their lead The author demonstrates how we can maintain fairness and respect while still acknowledging our differences By doing so we can all learn to meet these challenges using sensitivity to different perspectives open minded attitudes and the recognition that diversity in America is here to stay **The Wall Street Journal** ,2007 **Contemporary Review** ,2009
