

## DEFENCE AGAINST VARIOUS HOLDS

### **No. 7.—Hair Hold. From Behind.**

Your assailant seizes you by the hair, from behind, with his right hand.

1. Seize his hand with both of yours to prevent him letting go (Fig. 16).
2. Turn in towards your assailant; this will twist his wrist.
3. Force your head up and bend his wrist inwards, away from his elbow (Fig. 17).

# Defendu Manual

**Roman Wölfel**

## **Defendu Manual:**

*A manual of French prose construction* James Gauchez Anderson, 1898      *Manual of French Law and Commercial Information* Hanson Cleveland Coxe, 1902      **Fairbairn-Sykes Commando Dagger** Leroy Thompson, 2011-04-01 The Fairbairn Sykes Commando dagger has become iconic as the most widely recognized fighting knife in the world The origins of the dagger can be traced to Shanghai in the 1930s where W E Fairbairn and US Marine officers including Sam Yeaton carried out experiments to develop what they considered the perfect knife for close combat When Fairbairn and Sykes became instructors for the Commandos they refined the design which would evolve into the classic Fairbairn Sykes dagger The dagger was first used during early Commando raids into occupied Europe but saw action in every theatre of World War II US Rangers and Marines who had trained with the Commandos took their Fairbairn Sykes daggers home and this also influenced the development of American Special Forces daggers The Fairbairn Sykes remained in use with many units after the war It has become a symbol of Commando and special forces units throughout the world      Defendu Capt. W.E. Fairbairn, 2007-04-01 Defendu William E Fairbairn's seminal manual on close quarters combat is finally available in a quality reprint edition Originally published in 1926 the book was the first to present Fairbairn's hard core system of close in fighting under the name by which it became legendary among practitioners of no holds barred self defense and battlefield skills Through Defendu and his other revolutionary books including Scientific Self Defence Get Tough and All In Fighting as well as his years spent training members of the Shanghai Municipal Police in the 1930s and elite unit soldiers during World War II W E Fairbairn probably had more influence on the evolution of practical hand to hand combat than any other individual in modern history As U S Marine Corps veteran and CQC expert Kelly McCann writes in the exclusive foreword to Paladin's reprint edition W E Fairbairn contributed more to the knowledge base of how to kill the enemy in close quarters than perhaps anyone else Paladin spent years actively searching for a copy of Defendu through the Internet out of print book outlets rare book shops and military book specialists before we found one we could borrow to make this reprint edition possible So it is with great pride that we add this highly sought volume with an insightful foreword by best selling author Kelly McCann to our library of Combat Classic titles      **Chinese Martial Arts: Changing Views and Practices** Michael DeMarco, Since ancient times some observant people have made the revered Book of Change Yijing their lifelong study Change is the fundamental principle found in every aspect of our lives Change is the Way of the universe Confucian and Daoist texts are filled with anecdotal and philosophic discourse related to this theme There is little wonder why we find the concept of change in the diverse Chinese martial traditions This anthology presents articles from the Journal of Asian Martial Arts that are related to the theme of change This does not mean that the authors are writing solely about philosophic ideas such as yin yang taiji five phases wuxing or the eight hexagrams bagua From the content of these articles you will see how the views needs purposes and understandings of Chinese martial arts have changed over the centuries By expounding on

these themes each author demonstrates how the actual practice of martial arts has changed in tandem with these fluctuating views Supported by in depth research interviews and field experience the nine articles included here offer us a view of Chinese martial arts from many angles Of course effectiveness is one of the criteria for skills that are valued as being truly martial To improve the effectiveness some leading practitioners gained insights from nature particularly from the animal kingdom Also in both ancient and modern times Chinese practitioners borrowed from other styles The concept of mixed martial arts is nothing new There have been spinoffs to the warrior arts Even centuries ago the martial arts were utilized in entertaining flowery performances as in Peking opera The variety of martial movements were certainly conducive for good health so there is a long tradition of incorporating these in exercises practices solely for health and longevity In the early twentieth century martial arts became a political tool for boosting the spirit of country vitalizing the sick man of Asia Perhaps the most notable change in Chinese martial arts can be seen in the modern sportification of it Motivated by rank trophies and money the combative elements have been forsaken in favor of competition and show Originally practical techniques have been transformed into pure acrobatics This special anthology provides an encompassing overview of the development and variety of Chinese martial arts You will come to appreciate the ancient roots and the forces that have influenced how and why these arts are practiced today

*At Close Quarters: SOE Close Combat Pistol Instructor Colonel Hector Grant-Taylor* David Armstrong, 2014-03-27 The Special Operations Executive SOE was the paramount Allied sabotage force of the Second World War Its job in Churchill's words was to set Europe ablaze through the use of sabotage insurrection and assassination One of its shining Stars and legends was the close combat pistol instructor Colonel Hector Grant Taylor Grant Taylor taught the commandos secret agents and irregular soldiers the art of how to kill at close quarters He taught them how to be ruthless lethal and covert and yet his own life was itself a mystery worthy of a John Buchan thriller novel Misinformation deception bravery murder and ultimately redemption all play a part in his story *At Close Quarters* finally puts to rest the myths and legends that surrounded his life and unravels the mysterious truth behind the enigma that was Colonel Hector Grant Taylor

*Defendu Combat System* Liang Wei Hao, 2025-07-02 This book examines the brutal combat system developed for wartime close quarters fighting It details the simple efficient techniques designed to quickly disable or kill opponents covering strikes knife fighting improvised weapons and mental conditioning through realistic training methods The content explores how these battlefield proven methods continue influencing modern military training police tactics and self defense systems With clear explanations and real world examples from historical and contemporary conflicts it demonstrates why these fundamental combat principles remain effective when lives are on the line *National Union Catalog*, 1973 Includes entries for maps and atlases

*Pro-Systems: Combatives Volume One* Joseph Truncala, 2015-03-14 This is the first volume of the Pro Systems Combatives PSC system This manual has all the basic techniques principles and essential warm up drills required to learn the entire basic Pro Systems Combatives PSC selfdefense offense system This volume also covers responses to

punching attacks kicking attacks wrist arm grab attack counters body grab counters and drills Volume two covers the Pro Systems Combatives PSC self defense responses to chokes head locks knife gun multiple subjects and ground attack counters

**Proceedings** Conference of head masters of institutions for the education of the deaf and dumb,1886 *SPY COMBAT TENETS OF WWII* J. Agriole Ames,2020-02-26 In early 1942 the first covert agents of the OSS began training at Camp X near Toronto Canada Many more OSS spy schools for advanced intelligence training soon followed Their Spy Combat Training was developed and taught by William E Fairbairn a former senior British official of the Shanghai China police His was a method of fighting that combined the Chinese martial arts jiu jitsu and basic street brawling It was first called Gutter fighting but later given the more respectable name of the Fairbairn Protocol Fairbairn also designed a knife for use use by covert agents called the OSS Stiletto Agents were trained to do what was necessary to survive Firearms explosives edged and improvised weapons as well as the empty hand were all requisites for every OSS agent And it was because of these skills that they were able to function and survive alone behind enemy lines **Soldier of Fortune** ,2007 **The Dublin Review** Nicholas Patrick Wiseman,1877 Contemporary Review ,1888 Wiseman Review ,1877 *The Contemporary Review* ,1888

**A Treatise on International Law** William Edward Hall,1909 **Catalogue of the Public Library of the Polytechnic Society of Kentucky, 1880** Polytechnic Society of Kentucky, Louisville. Library,1880 **Do Or Die** Anthony Joseph Drexel Biddle,1937 **The Dublin Review** ,1877
