Catfish at the Pump Roger L. Welsch, Linda K. Welsch, 1982      **Catfish at the Pump** Roger L. Welsch, Linda K. Welsch, 1982      **Engaging Humor** Elliott Oring, 2010-10-01 Exploring the structure motives and meanings of humor in everyday life In *Engaging Humor* Elliott Oring asks essential questions concerning humorous expression in contemporary society examining how humor works why it is employed and what its messages might be This provocative book is filled with examples of jokes and riddles that reveal humor to be a meaningful even significant form of expression Oring scrutinizes classic Jewish jokes frontier humor racist cartoons blonde jokes and Internet humor He provides alternate ways of thinking about humorous expressions by examining their contexts not just their contents He also shows how the incongruity and absurdity essential to the production of laughter can serve serious communicative ends *Engaging Humor* examines the thoughts that underlie jokes the question of racist motivation in ethnic humor and the use of humor as a commentary on social interaction The book also explores the relationship between humor and sentimentality and the role of humor in forging national identity *Engaging Humor* demonstrates that when analyzed contextually and comparatively humorous expressions emerge as communications that are startling intriguing and profound      **Horsing Around** Lawrence Clayton, Kenneth W. Davis, Mary Collins, 1998-11-15 The tradition of storytelling and folklore reaches deeply into the American notion of national identity and among the more prominent emblems of American culture stands the cowboy Despite the attempts to modernize the cowboy of our frontier past today's mounted horsemen have learned how to adapt to a rapidly changing world while tenaciously holding on to their heritage Tall tales and yarns make up a great amount of the folklore of this literary tradition yet woven throughout such stories stir an American mixture of humor wisdom and philosophy In *Horsing Around* Clayton Davis and Collins draw upon the vast amount of anecdotes portraying the lighter side of working on the range The collected vignettes in *Horsing Around* will provide the collector of Texana greater accessibility to stories that are often told only at public performances      **Tough Daisies** Clarence Robert Haywood, 1995 By reputation Kansas isn't the funniest place on earth But it has its share of humor In this book Robert Haywood reveals the lighter side of a state that's too often pegged a collection of sober minded moralists struggling to find Utopia among the stars He explores what has passed for humor in good times and bad and divulges what makes Kansans laugh      A Literary History of the American West Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance      Nebraska during the New Deal Marilyn Irvin Holt, 2019-12-01 As a New Deal program the Federal Writers Project FWP aimed to put unemployed writers teachers and librarians to work The contributors were to

collect information write essays conduct interviews and edit material with the goal of producing guidebooks in each of the then forty eight states and U S territories Project administrators hoped that these guides known as the American Guide Series would promote a national appreciation for America s history culture and diversity and preserve democracy at a time when militarism was on the rise and parts of the world were dominated by fascism Marilyn Irvin Holt focuses on the Nebraska project which was one of the most prolific branches of the national program Best remembered for its state guide and series of folklore and pioneer pamphlets the project also produced town guides published a volume on African Americans in Nebraska and created an ethnic study of Italians in Omaha In Nebraska during the New Deal Holt examines Nebraska s contribution to the project both in terms of its place within the national FWP as well as its operation in comparison to other state projects
