

The background of the book cover is a photograph of a highly ornate Gothic archway. The arch is constructed from light-colored stone or plaster, with gold leaf applied to its inner curves and the capitals of the supporting columns. The wall above the arch is covered in a dense, repeating pattern of small, circular medallions in shades of green and gold on a reddish-brown background. The archway leads into a darker, shadowed interior space.

**Catholic Converts** Patrick Allitt, 1997 Allitt explains how despite the Church's dogmatic style and hierarchical structure converts working in the areas of history science literature and philosophy maintained that Catholicism was intellectually liberating British and American converts followed each other's progress closely visiting each other and sending work back and forth across the Atlantic

Keeping the Vow Donald Paul Sullins, 2016 Based on one hundred fifteen interviews augmented by biographical survey and historical research Keeping the Vow tells the story of married priests and their wives their unusual and difficult journey from Anglicanism and their life in the Catholic Church The book combines personal narratives and sociological analysis to provide a clear view of the priesthood's collective features and discusses the implications of the married priesthood for the future of the Church

Rome's Most Faithful Daughter Neal Pease, 2009-10-15 When an independent Poland reappeared on the map of Europe after World War I it was widely regarded as the most Catholic country on the continent as Rome's Most Faithful Daughter All the same the relations of the Second Polish Republic with the Church both its representatives inside the country and the Holy See itself proved far more difficult than expected Based on original research in the libraries and depositories of four countries including recently opened collections in the Vatican Secret Archives Rome's Most Faithful Daughter The Catholic Church and Independent Poland 1914-1939 presents the first scholarly history of the close but complex political relationship of Poland with the Catholic Church during the interwar period Neal Pease addresses for example the centrality of Poland in the Vatican's plans to convert the Soviet Union to Catholicism and the curious reluctance of each successive Polish government to play the role assigned to it He also reveals the complicated story of the relations of Polish Catholicism with Jews Freemasons and other minorities within the country and what the response of Pope Pius XII to the Nazi German invasion of Poland in 1939 can tell us about his controversial policies during World War II Both authoritative and lively Rome's Most Faithful Daughter shows that the tensions generated by the interplay of church and state in Polish public life exerted great influence not only on the history of Poland but also on the wider Catholic world in the era between the wars

**The Chance of Salvation** Lincoln A. Mullen, 2017-08-28 The United States has a long history of religious pluralism and yet Americans have often thought that people's faith determines their eternal destinies The result is that Americans switch religions more often than any other nation Lincoln Mullen traces the history of the distinctively American idea that religion is a matter of individual choice
