Patrick,2012-03-15 The tragic but ultimately uplifting story of a young woman who was sent to a baby laundry for unmarried mothers in 1960s London In 1963 London was on the brink of becoming one of the world's most vibrant cities Angela Patrick was 19 years old enjoying her first job working in the City when her life turned upside down A brief fling with a charismatic charmer left her pregnant unmarried and facing a stark future Being under 21 she was still under the governance of her parents strict Catholics who insisted she have the baby in secret and then put it up for adoption Shunned by her family and forced to leave her job Angela was sent to an imposing looking convent for unmarried mothers in north east London Run like a Victorian workhouse conditions in the convent were decidedly Spartan Vilified and degraded by the nuns for her wickedness her only comfort came from the other pregnant girls all knowing they too would have to give up their babies After a terrifying labour with no pain relief Angela gave birth to a beautiful son Paul with whom she fell instantly in love At eight weeks he was taken from her and forcibly put up for adoption leaving Angela bereft and heartbroken Not a day went by without Angela thinking about him Then thirty years later she received a letter It was from Paul and a reunion was arranged This vital slice of social history is a shocking reminder of how cultural mores have changed around the issue of single motherhood since the early 1960s It is also an honest heartfelt memoir that explores the closest of human bonds Beloved Strangers Anne C. Rose,2001 Interfaith marriage is a visible and often controversial part of American life and one with a significant history This is the first historical study of religious diversity in the home Anne Rose draws a vivid picture of interfaith marriages over the century before World War I their problems and their social consequences She shows how mixed faith families became agents of change in a culture moving toward pluralism Following them over several generations Rose tracks the experiences of twenty six interfaith families who recorded their thoughts and feelings in letters journals and memoirs She examines the decisions husbands and wives made about religious commitment their relationships with the extended families on both sides and their convictions These couples who came from strong Protestant Catholic and Jewish backgrounds did not turn away from religion but made personalized adjustments in religious observance Increasingly the author notes women took charge of religion in the home Rose's family centered look at private religious decisions and practice gives new insight on American society in a period when it was becoming more open more diverse and less community bound
