Resisting the Devil Neal Lozano, 2010-03-08 Find Your Way to Spiritual Freedom. Do you find yourself struggling with a particular sin or dysfunction over and over again? Do you feel hopeless in finding freedom despite your best efforts? Do you still feel guilty, ashamed, and doomed to repeat a besetting sin even after receiving the sacrament of Reconciliation? In Resisting the Devil, author Neal Lozano shows that sometimes evil spirits tell us lies that lock us into sins and personal problems. He explains the practice of deliverance, a way of dealing with such demonic influences that is supported by the teaching and tradition of the Catholic Church. Lozano's Unbound Model, based on three decades of experience in deliverance ministry, builds a bridge between the sacrament of Reconciliation and exorcism. People only very rarely need exorcism. Readers of Resisting the Devil: A Catholic Perspective on Deliverance will learn how to recognize the activity of evil spirits. See how deliverance from spiritual bondage can be gentle, safe, and effective. Understand how deliverance differs from exorcism and how deliverance and Reconciliation can work together. Read the testimonies of women and men who have been freed through deliverance ministry. Resisting the Devil is a thoughtful work that facilitates a balanced dialogue between deliverance ministry and the Church's rite of exorcism. I warmly recommend this book to anyone

Norton,2011-02-01 Michael Norton's *A Field Guide for Spiritual Warfare* is a highly engaging text filled with vital counsel on cooperating with the Holy Spirit in taking the Mark 16 commission sharing the Gospel healing the sick and casting out demons to the streets As Norton stresses and as his own ministry attests the focus is not primarily on deliverance but on the Gospel being preached signs and wonders will naturally follow those who believe A true equipping tool *A Field Guide* advocates both the authority of the believer and a crucial dependence on the Holy Spirit and provides a model for deliverance ministry operating in the darkest places making the impossible bow down to the name of Jesus *Catholic*

Prayer Therapy Rev Paul Damick O P,2015-11-09 From the beginning of time Satan has held the sons of men captive in countless ways Chief among his ploys to instill fear in our hearts and force us to follow him is the manipulation of our minds and bodies His demons are everywhere in various forms and using unsuspecting victims to lure us down to hell However the bigger threat is that evil men and women place curses cast spells make witchcraft hexes and maledictions to torment the innocent and make their lives unbearable But we are glad that Christ died for this purpose to deliver us from all the powers of darkness He has promised and will never fail It is very important to state here that if you don't first surrender your life to God no matter how hard you pray for your deliverance even with this intensive prayer formula you will not receive your desired liberation Make a sincere examination of conscience and go to confession before using this prayer formula The Catholic Prayer Therapy for Divine Deliverance is a scripture based prayer guide for anyone seeking supernatural release from all spiritual bondages and manipulations Like its counterparts in the series it has been in use for over a decade and has seen countless testimonies This is the first time I am publishing it in a book form If you would like me to pray along with you or have a testimony send me a message through the email at the end of the book May God Almighty hear and answer your prayers Amen **Deliverance Prayers for Use by the Laity** Chad Ripperger,2022-02-15 Prayers for use by the laity in waging spiritual warfare from the public domain and the Church's treasury The book has an imprimatur from the Archdiocese of Denver

Duffey,2011-07-13 In 1976 a twenty three year old German girl named Anneliese Michel died following months of exorcism sessions Despite the fact that she had been medically diagnosed with epilepsy and manic depressive psychosis two priests conducted numerous exorcism sessions and ignored her mental medical and physical condition Ms Michel's death due to misdiagnosed demonic possession

and negligently applied exorcism was neither the first nor the last case of such negligence to occur Complete familiarity with the spiritual elements of demonical possession and attack is the sole focus of most demonologists exorcists and clerical members of Christianity Few clerics have a sufficient understanding of psychiatric conditions that may mimic the symptoms of demonic possession The result has been catastrophic for many innocent people over the centuries The overlooking or ignoring of a person s medical and psychiatric condition is the primary culprit behind misdiagnosed possession and botched exorcisms resulting in death or serious bodily injury Reverend Father John Duffey a Reformed Catholic Church of North America priest renders a standardized approach to properly investigating suspected demoniacal possession determining the existence of possession and in the safe execution of exorcism deliverance acceptable to virtually all denominations of the Christian faith
