**Catholic Priests Falsely Accused** David F. Pierre, 2013-02-21 We must continue to demand justice and compassion for victims of Catholic clergy abuse This is not optional Time and time again in recent years Catholics and non Catholics alike have been horrified by hideous stories of wretched abuse and betrayal However there is a side of the Catholic Church abuse narrative that is not getting the attention it warrants Countless priests in the United States have been falsely accused of committing horrendous child abuse Topics in this book include how the most recent figures indicate that one third of accused priests have been accused falsely the stunning court declaration with the opinion from a retired FBI investigator that one half of all accusations are entirely false or greatly exaggerated the American cardinal who has been the target of two bogus abuse charges how accusers have retained huge monetary settlements even though their allegations later proved to be false the father of an accuser who appeared at the funeral of an accused priest and apologized for the false allegation that his son leveled the Catholic archbishop who tells of being spat upon by a member of SNAP Survivors Network of those Abused by Priests the monsignor who waited five years to be exonerated of abuse charges even though his alleged victims denied that they were molested plus much more

**Blood Money** Tamilynne Voelzke, 2021-07-20 We are currently in a period of recuperation from sexual abuse scandals throughout the country Although the media tends to focus on the Catholic Church's role in these situations it is actually a worldwide issue involving protagonists from many different organizations it's just that Catholicism is much larger than any other organization so the offenses seem more prolific than in other agencies The Catholic Church is attempting to create procedures so that these situations never happen again and to provide financial recompense to victims Abusers misused their religious authority to perform these vile deeds however it now has become a fad to falsely accuse priests of sexual molestation in an attempt to get money by playing on the sympathies of diocese authorities Even after statute of limitations is passed diocese protocol allows for such payments Falsely accused priests are the new victims in this crisis Abuse by high level clergy in Catholicism has really brought disaster on the Church Jesus told his future disciples I will make you fishers of men The current false allegations in search of blood money are starting to smell more like rotten fish and I don't think that was what Jesus wanted for the end result of his priests efforts Blood Money parallels the story of the Passion of Jesus with the current betrayals faced by ordained Catholic priests as well as similar situations faced by other people in secular circumstances

**Blood Money** Tamilynne Voelzke, 2019-12-19 We are currently in a period of recuperation from sexual abuse scandals throughout the country Although the media tends to focus on the Catholic Church's role in these situations it is actually a worldwide issue involving protagonists from many different organizations it's just that Catholicism is much larger than any other organization so the offenses seem more prolific than in other agencies The Catholic Church is attempting to create procedures so that these situations never happen again and to provide financial recompense to victims Abusers misused their religious authority to perform these vile deeds however it now

has become a fad to falsely accuse priests of sexual molestation in an attempt to get money by playing on the sympathies of diocese authorities Even after statute of limitations is passed diocese protocol allows for such payments Falsely accused priests are the new victims in this crisis Abuse by high level clergy in Catholicism has really brought disaster on the Church Jesus told his future disciples I will make you fishers of men The current false allegations in search of blood money are starting to smell more like rotten fish and I don t think that was what Jesus wanted for the end result of his priests efforts Blood Money parallels the story of the Passion of Jesus with the current betrayals faced by ordained Catholic priests as well as similar situations faced by other people in secular circumstances

**The Greatest Fraud Never Told** David F Pierre, Jr,2020-08-07 The Greatest Fraud Never Told is the side of the Catholic Church abuse story that the media has not told you In this easy to read fast paced and highly informative book you will learn the truth about the rampancy of false accusations against Catholic priests and why genuine abuse victims should be outraged the story of a single fraudster who sent three innocent Catholic priests and a school teacher to prison and also scored a 5 million settlement how Pope Francis championed an abuse case that gained worldwide attention but turned out to be completely bogus how the 2018 Pennsylvania grand jury report that shook the world is flatly discredited why bishops decades ago sent abusive priests off to treatment centers it s not for the reasons you think the story of a falsely accused priest who fought back against the activist group SNAP and won and much much more There is no other book like The Greatest Fraud Never Told

*Double Standard* David F. Pierre,David F. Pierre, Jr.,2013-05-22 Yes Catholic priests terribly abused minors and bishops failed to stop the unspeakable harm That is an undeniable truth Nothing justifies such an evil However major media outlets are unfairly attacking the Catholic Church and this fast paced compelling book has the shocking evidence to prove it This book addresses numerous topics including appalling cases of abuse and cover ups happening today but they re not happening in the Catholic Church proof that Catholic clergy do not offend more than teachers or those of other religious denominations data that shows that the Catholic clergy scandal is not about pedophilia affirmation that the Catholic Church may be the safest environment for children today research that uncovers the shady relationships between SNAP Survivors Network of Those Abused by Priests lawyers and the media the alarming roots of SNAP s attacks on the Church the surprising truth about repressed memories unheard agonized priests who deny the accusations against them evidence of how the documentary Deliver Us From Evil deceived moviegoers plus much more Double Standard covers topics that the major media won t There is no other book about the Catholic Church abuse narrative like this one

[Sins of the Press: The Untold Story of The Boston Globe's Reporting on Sex Abuse in the Catholic Church](#) David F. Pierre Jr,2015-07-31 SINS OF THE PRESS blows the lid off the Boston Globe s 2002 Pulitzer Prize winning reporting about sex abuse and the Catholic Church While the Globe would want you believe that its paper s reporting was a carefully impartial chronicle of abuse and cover ups by Church officials this fast paced eye opening and meticulously researched book uncovers something entirely different Using actual images of headlines photos and editorial

cartoons from the Globe archives Sins of the Press exposes How the Globe has routinely celebrated child molesters in its pages over the years How the Globe frequently promoted an author who supported incest between fathers and daughters Extensive and undeniable proof that the Globe s reporting was the culmination of a relentless decades long attack against the Catholic Church How the Globe has deliberately dismissed and mitigated vile abuse and cover ups in other institutions How the Globe flagrantly misled its readers about the Church s response to abuse complaints How the Globe was flat out erroneous in its reporting How the Globe facilitated the foundation of the notorious pedophile group NAMBLA and much more Sins of the Press will obliterate everything you thought about the Boston Globe and its reporting about Catholic sex abuse

**Memoirs of Missionary Priests and Other Catholics of Both Sexes that Have Suffered Death in England on Religious Accounts from the Year of Our Lord 1577 to 1684** Richard Challoner,1880 **Hope Springs Eternal in the Priestly Breast** James Valladares PhD,2012-04-09

The clergy abuse scandal has posed the greatest threat to the traditional understanding of the Catholic priesthood since the Protestant Reformation Now as then the deadliest attacks are coming from within the Church In an attempt to improve a system that allowed a small minority of the clergy to violate children and ameliorate the gross negligence of some bishops who recycled these predators the American bishops instituted the Charter for the Protection of Children and Young People in 2002 It is unfortunately doing the Church more harm than good In Hope Springs Eternal in the Priestly Breast Fr James Valladares shows how justice and charity have been violated by some bishops in dealing with accused priests He examines the pertinent canons that guide the Churchs judicial system and finds that these are often ignored or wrongly applied He provides true cases that highlight the injustice of the process and the agony of priests who have been subjected to the charters draconian mandates The Church has incurred tremendous financial losses because of settlements rising from both legitimate and false claims Her image has been marred by the secular media which has taken advantage of the crisis Even so we often fail to understand how trivial these are in comparison to the damage done to the priesthood by the enactment of the charters policies This is the most pressing issue that the bishops need to address *Memoirs of Missionary Priests* Richard Challoner,1874 **God the Teacher of Mankind**

Monsignor William McCarthy,2010-08 The Conspiracychronicles the monumental struggles of an innocent priest Monsignor William McCarthy falsely accused in 2003 of molesting two young sisters more than 23 years earlier On the eve of his

retirement from a stellar career as a priest and pastor for the next five tortuous years he was the victim of an anonymous complaint that was accepted as true by his bishop and friend of 40 years Share his travails and see how one's faith can overcome the worst injustices that man can heap on a holy and totally innocent person Jack Kraft Esq Monsignor William McCarthy paints a picture embracing a situation that is almost impossible to comprehend Had I not stood by him throughout the years of pure hell he experienced I would not have believed the outright calumny by a detective and how the subsequent action of his bishop and diocesan staff could have occurred Child abuse is a terrible thing but equally horrible is when innocent priests are unjustly condemned and destroyed by the hierarchy of their church Arthur N Hoagland M D This book is a must read for any Catholic who loves their Church but is concerned about its often self destructive response to the tragedy of clerical pedophilia It is story about tragedy and triumph The tragedy of the Church that Monsignor McCarthy loves deeply and into which he has selflessly devoted his entire life but is sometimes governed by people who have lost all sense of justice It is a Church that betrayed him In its attempt to protect the victims of child abuse it established a new category of victims its faithful priests The triumph of Monsignor McCarthy is his faith and love of Jesus which saw him through his terrible ordeal in spite of the evil that was perpetrated against him Deacon Joseph Keenan
