*Catholicism at the Crossroads* Paul Lakeland, 2007-04-15 Paul Lakeland popularizes ideas about the contemporary American Catholic Church that he had previously treated in a much more academic way in several earlier books **Catholic Theological Ethics** Todd A. Salzman, Michael G. Lawler, 2015-11-23 This book has two objectives one explicit and one implicit The explicit objective is to explore the normative implications for both general and sexual ethics of the methodological and anthropological developments in Catholic tradition The implicit objective is to stimulate dialogue in the Church about ethics particularly sexual ethics a dialogue that must necessarily include all in the communion Church laity theologians and hierarchy Since we believe that genuine and respectful dialogue about sexual morality is sorely needed to clarify Christian truth today we intend this book to be part of that genuine dialogue **The Crisis of Authority in Catholic Modernity** Michael J. Lacey, Francis Oakley, 2011-04-06 It is fairly clear that while Rome continues to teach as if its authority were unchanged from the days before Vatican II 1962-65 the majority of Catholics within the first world church at least take a far more independent line and increasingly understand themselves rather than the church as the final arbiter of decision making especially on ethical questions This collection of essays explores the historical background and present ecclesial situation explaining the dramatic shift in attitude on the part of contemporary Catholics in the U S and Europe

*Ecclesiology and Exclusion* Dennis Michael Doyle, Timothy J. Furry, Pascal D. Bazzell, 2012 Ecclesiologists and other experts from around the world address various forms of exclusion in the Catholic Church These essays address the many forms of exclusion in churches around the world with a major focus on the Roman Catholic Church but also addressing exclusion in other churches Topics included are exclusion of marginal people exclusion and racial justice exclusion and gender exclusion and sacramental practices and exclusion and ecumenical reality Contributors include Paul Lakeland Gerard Mannion A E Orobator Bryan Massingale Phyllis Zagano Neil Ormerod Bradford Hinze Mary McClintock Fulkerson and Susan K Wood among others **Women & Catholicism** P. Zagano, 2011-06-06 The book investigates three situations in the Catholic Church that point to Catholicism's weak spot the role of women in the Church Zagano sheds light on the Catholic Church's hierarchically imposed laws that keep women at a distance from the holy whether as liturgical ministers as wives of priests or as priests themselves *Catholic Identity and the Laity* Tim Muldoon, 2009 This work features original essays which explore the role of the laity within the Catholic Church and the nature of Catholic identity **The Great Grace** Nigel Zimmermann, 2015-05-21 Nigel Zimmermann presents critical reflections from leading Catholic prelates and scholars on the significance of the Second Vatican Council fifty years after it began These include two senior Cardinals one of whom is the head of the Congregation of Bishops and the other a member of Pope Francis' new advisory body on reforming the Roman Curia as well as Prefect of the Secretariat for the Economy Together with thinkers from North America the UK Rome and Australia they take up key themes from the Conciliar documents and assess the reception of the Council half a century on

from its inception In doing so they open up new avenues for thinking through the authentic witness and teaching of the most important ecclesiastical event of the twentieth century These avenues include discussion of themes such as the liturgy communio the Council in its historical context the role of the laity communicating the Council in a social media world and the task of mission in the future This volume marks a turning point in the Council s reception in the wider Church *Ministries in the Church* Susan A. Ross, Diego Irarrázaval, Paul D. Murray, Maria Clara Lucchetti Bingemer, 2010 One of the leading theological journals with an international reputation which offers the best of current theological thinking from a wide variety of international perspectives *The Catholic Periodical and Literature Index* ,2009 **The Writers Directory** ,2013

**Toronto Journal of Theology** ,2006 **Catholic Missions and Annals of the Propagation of the Faith** ,1928
