McDowell, 2017-08-19 In this meticulously referenced text Dr McDowell examines how God has progressively revealed himself through his eternal covenant to his people culminating in Christ and the sending of the Holy Spirit He helps us understand how baptism is God's sign and seal of his new covenant with us through Christ and how it relates to our salvation Viewing the whole Bible in its historical biblical and theological context Dr McDowell explores baptism from every theological perspective He takes us through the purpose and meaning of baptism as well as its mode which clearly exemplifies our purification from sin in filling with the Holy Spirit and union with Christ a penetrating study of baptism that will benefit church leaders and lay people alike Should be widely read and taught in the church Dr Richard L Pratt Jr Third Millennium Ministries President a book you need to read but that will also bring you blessing as you do no matter how much you already know This one is solid theologically challenging us to be biblical on every issue it is global it is startlingly pastoral Dr D Clair Davis Emeritus Professor of Church History Westminster Seminary In this comprehensive book he applies biblical wisdom based on a lifetime of personal reflection to the systematic theology and pastoral practice of Christian baptism Dr Philip G Ryken President Wheaton College author and Bible expositor *Reconstructing Catholicism* Robert A.
