Catholics And Evangelicals Do They Share A Common Future:

Catholics and Evangelicals Thomas P. Rausch, 2000 A report on the new dialogue growing up between Catholics and Protestant evangelicals with an honest summary of issues that still divide them **Catholics and Evangelicals** Thomas P. Rausch, 2000 **Justification by Faith in Catholic-Protestant Dialogue** Anthony N. S. Lane, 2006-08-15 In this assessment of the recent Catholic Protestant dialogue concerning the doctrine of justification Anthony Lane begins by discussing traditional Protestant doctrine with close reference to Calvin and traditional Catholic doctrine with close reference to the Council of Trent He goes on to examine eight key documents from Hans Kung's Justification 1957 to the Joint Declaration on the Doctrine of Justification 1999 Fifteen key theological issues are then explored These include the status of theological language used by Catholics and Evangelicals the definition of justification the grounds on which a person is accounted righteous the question of sin remaining in the Christian whether faith alone can save the relationship between law and gospel the question of merit and reward the assurance of salvation and finally a discussion on the Roman Magisterium and current Evangelical responses to recent changes in Catholic theology In conclusion Anthony Lane discusses the extent to which any agreement or convergence of thinking has been achieved and its future significance **Power, Politics and the Fragmentation of Evangelicalism** Kenneth J. Collins, 2012-08-02 Kenneth J Collins traces the establishment of the evangelical enterprise in American culture and its influences on the political and social values of the American landscape throughout the twentieth century as well as its fragmentation into competing ideological camps *As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye* Stephen John March, David E. Bjork, 2015-05-29 This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship if any they might have with their friends who come from a different Christian faith tradition than their own The authors aim to address that question in a practical way They believe that while disagreements remain it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship We know of no other book which targets ecumenical lay relations in this way *Making Peace with Motherhood... and Creating a Better You* Heidi Bratton, 2002 A Christian based approach to the issues facing modern mothers *Evangelical Theological Perspectives on Post-Vatican II Roman Catholicism* Leonardo De Chirico, 2003 De Chirico Istituto de Formazione Evangelica e Documentazione Padova Italy begins by identifying the elastic contours of Evangelical theology in its contemporary outlook Then he examines a number of Evangelical theologians who have interacted with Roman Catholicism in general and with Roman Catholic theology in particular over the past 40 sin **Towards a Truly Catholic Church**
